Statement showing the amount recommended — Land Improvement Loans Act. District — ... written off as irrecoverable under the Cuddapah Ref on No 1661/Rev of 97 dated 6th April 1897

Village and Talukh	Name of defaulter	Amount of Loans	Circumstances under which the amount became irrecoverable	Whether the security offered was sufficient or otherwise	Measures adopted for the punctual collection of the instalments as they fell due	Explanation of the officers responsible	Grounds of recommendation

Gurrajapalem / Vayalpad Talukh	Gurrija Siddoji Gadi	Principal Rs 24-13-6 Interest Rs 1-14-11 Rs 25-12-5 Amount not recovered from the Defaulter granted under special Rules of the Land Improvement Loans Act	The borrower having failed to complete the work within the time allowed the loan was ordered to be summarily recovered with interest. A loan of Rs 90 was applied for in this case but only Rs 45 was paid as 1st instalment. The amount was ordered to be summarily recovered for the above reason	The security offered was insufficient. The assessment of the field pledged as security being only Rs 3-15-0 the market value at 15 times the assessment is only 57-1 against Rs 100 originally estimated.	The sale of the land pledged as security as well as other property of the defaulter fetched only Rs 30-8-0. The amount due in this case was Rs 45-0-0 under principal and Rs 11-4-5 under interest 56-4-5 Deducting from this Rs 30-8-0 realized by the sale of defaulters property, there remains a balance of Rs 25-12-5 as shown in Col: 3.	The S. Ro Rs 3- to the The offi the que and of ago con Qu of dat gra Inc that of the can for	land pledged as security viz 9.80 A Extent 0-98 assessment .15-0 was originally estimated be worth Rs 100 in dependent of prospective improvement. Explanation of the Village ers who originally valued land is that the field in estion was in good condition fit for cultivation at the e of preliminary enquiry had since the death to borrower about 3 years it was left waste and equently deteriorated in lity. The Deputy Tahsildar Biles who approved of the uation and recommended the nt of the loan is R.R. by had vacated. He explains t he followed the valuation the village Officers. None of e persons nor the Tahsildar be pecuniarily held responsible the amount lost to Government	The defaulters property both moveable and immoveable was all sold. There is no other property of any kind from which the balance can be recovered. The amount of Rs 25-12-5 in Column 3 is therefore recommended to be written off as irrecoverable.

2. A sum of Rs 45, being the
first instalment of a loan
of Rs 90 under the Special
Well rules was granted to

Gorravaripolem, Voyalpad taluk
Cuddapah

showing it

Cuddapah District on the security of certain field assessed at Rs 3-15-0 and estimated at Rs 100. The borrower having failed to complete the work within the time allowed, the loan was ordered to be summarily recovered with interest thereon. The land pledged as security as well as the other property possessed by the defaulter, was proceeded against and sold for only Rs 30-8-0. After crediting this amount to the arrears due, there remains a balance of Rs 24-13-6 under 'principal' and Rs 0-14-11 under interest or Rs 25-12-5 in all, which is reported to be irrecoverable.

3. The land offered as security was evidently over valued. The Collector reports, that the village officers explain that the field in question was in good condition and fit for cultivation at the time of the preliminary enquiry, and that since the death of the borrower about three years ago, it was left waste and consequently deteriorated in quality; that the Deputy Tahsildar who recommended the grant of the loan stated that he followed the valuation of the village officers. The Collector thinks that none of these officers can be held to be pecuniarily responsible for the amount lost

lost to Government.

4. In these circumstances the Board supports the Collector's recommendation that the amount viz Rs. 25-12-5 reported to be irrecoverable may be ordered to be written off the accounts.
