Forest NO 318 Mls., dated 6th April 1897

Read again Board's Proceedings F.NO.220 Mls, dated 8-3-37

Read the following letter from the Offg. Accountant Genl to the Government of Madras dated 26th March 1897, NO.1019, to the Secretary to the Commissioners of Land Revenue, Madras.

With reference to Board's Proceedings NO.220.Mls, dated the 8th of March 1897, I have the honor to state that under Arts. 94 and 95 of the Civil Service Regulations the sanction of Government is required to Mr. J.L.Mc O'Leary resuming his special duty in the Ganjam District on the demarcation of the Agency boundary. Mr. Mc O'Leary's deputation on the first occasion lasted from 14th January to 29th June 1896. If this period added to the present deputation exceeds 6 months, the sanction of the Government of India will be necessary.

Resolution.

In its Proceedings read again above, a copy of which has already been submitted to Government for information, the Board directed Mr. Mc O'Leary to resume his special duty on the demarcation of the Agency boundary in Ganjam, on his being relieved of his acting appointment as District Forest Officer of that District by Mr. Mc Intosh. The Accountant General in his letter read above requires that the sanction of Government should be obtained for the deputation. The Board accordingly requests that Government will be pleased to approve of the instructions already issued.

The Accountant General points out that Mr. Mc O'Leary has already spent 5 months and 16 days on this special duty and states that if this period added exceeds 6 months the sanction of the Government of India will be necessary. The Board, however, doubts whether

Arts 94 and 95 of the Civil Service Regulations apply to the present case. Mr. O'Leary is only employed as an Assistant Conservator on a ^{special} ~~special~~ work in demarcating boundary lines between Reserved Forests and the Agency tracts, and receives no extra remuneration. He has, in/ para 3 of the Board's Proceedings above quoted, been asked to report the length of time required to complete the work in question. The Collector of Ganjam will now be required to submit at a very early date a special report through the Conservator on this point, and to state what work has been already done and what remains to be done.

As Mr. O'Leary is again deputed on
