SECRETARIAT DEPARTMENT

India Office,
Whitehall,
London, S.W.

19th February 1897.

Sir,

With reference to the indent for stores for the Salt and Abkari Department, received with your letter No.5 of 20th January 1897, I have the honour to inform you that the demand for 10 large single stem hydrometers is not sufficiently explicit to ensure a suitable supply.

I have therefore to request that I may be informed as to their size and the range required.

It is presumed that they should be made of glass, but I shall be obliged if you will state your wishes on this point.

I have the honour to be, Sir,

Your obedient Servant,

Grant Burls

Director General of Stores.

The Secretary to Government
Revenue Department,
Madras.
