REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 8 May 1897.

No. 3247 Miscellaneous

READ ..... the following letter from the Collector of Ganjam, his No. 329 Famine, dated 22nd April 1897:—

With reference to para 2 of Board's Proceedings No. 1664 (miscellaneous) dated 6th March 1897, I have the honour to forward herewith a statement showing the result of my enquiry into the prices of "other items" included in the wages paid to ruling workers under section 120 Famine Code.

2. From this it will appear that the figures adopted by Mr. Weir in his reference C No 359/7 dated 9th February 1897 are calculated at unduly high rates.

3.

3. Since Mr. Weir wrote his letter, however, the conditions have been entirely changed, firstly by the adoption of cleaned rice instead of paddy, secondly by the adoption of ½ rice and ½ ragi, instead of ⅕ rice and ⅘ ragi, and thirdly by the order contained in Government order $\frac{216}{30.3.97}$ embodied in Board's Proceedings $\frac{278}{3.4.97}$ directing that the cost of other items should be separately calculated.

4. I presume therefore that no further comparison or figures are necessary.

Resolution

Recorded

2. The Collector's presumption in para 4 of his letter is correct.
