Note:-

In the case of grant No 10 it was stated in para 3 of the B.P. vide G.O. No 5164 of 15-12-96 that the holder was willing to convert the leasehold into a permanent property provided the present quit rent, which is less than Rs 2 per acre was not enhanced. As this was opposed to the terms offered by Govt the collector recommended that the existing terms should be continued. As the original grant deed was not forthcoming the B? requested the collector to report from what date he proposed to assert the reversionary right

right of Government. The Collector now states that he would assert the reversionary right of Govt on the termination of 99 years from the 29th December 1830, the date entered in his office register.

2. As regards grant nos 1444+1523 it was reported that the grantees were willing to accept permanent patta on the present quit rent. The Collector was asked to state whether the quit rent was more than Rs 2 and he now states that it is so. The Board recommends that permanent pattas be issued in these cases.

3. As regards grant no. 1446 it was stated that it had been converted into an inam and assessed with quit rent. The Collector was asked to report whether the case was dealt with by the Inam Commr and whether a title deed had been issued. The Collector now reports that it does not appear to have been dealt with by the Inam Commr and that he has called for a report from the Divisional Officer as to how the grant came to be treated as inam.

4. Grant no 1683 is the site of a Roman Catholic chapel and the Collector has called for a report as to whether the entire extent is exclusively used for religious purposes.
