13.5.97

Notes Compared with the corresponding period of last year, the exports during March 1897, both to places within British India outside the Presidency and to places outside British India, again shows an increase, the aggregate increase being 4278 tons, while there has been a decrease of 3507 tons in the exports to places within the Presidency. Since April 1896 there has been an export of 205,852 tons against 103,617 during the corresponding period of last year.

The figures of exports of the principal grains during March 1897 as compared with the exports during March

C 8/5/97
