No. 3154 Miscellaneous

READ the following letter from the Collector of Bellary, R/on C No. 1445, dated 23rd April 1897:-

The Divisional officer, Adoni, reports that he has satisfied himself on personal inspection that some of the weavers at Yemmiganur and Nandavaram are in want of employment. In Yemmiganur there are 1479 looms, of which 1031 weave female cloths and 86 punchas and pachadams. Of these 448 are closed for want of work. In Nagaladinne and Nandavaram also 140 and 99 looms are without work. The grant of

immediate relief having been reported to be necessary, I have, in anticipation of sanction, issued orders to start relief operations on the same lines as at Adoni and under the same rules.

2. The cloths the weaver will for the present be restricted to Panchas and Pachadams. The carpets are not made by the weavers in those towns. Most of the female cloth looms in Adoni have at a small cost, been rendered fit for weaving Panchas and Pachadams and the same thing may without hardship be done at other places where relief is now found to be necessary.

3. The Special Deputy Tahsildar appointed to superintend the relief of weavers has been directed to start the operations in person and to supervise them from time to time. The Deputy Tahsildar at yemmiganur will be the local officer in immediate charge of the relief operations. It is proposed that Yemmiganur should be the centre

(No) B.

that the distressed weavers of the surrounding villages viz Nagaladinne, Nandavaram and Gudikallu should seek relief there. It would be too costly to organise relief in every village where there are weavers.

4. I have the honour to request sanction for the employment of the necessary establishment as detailed in the annexed statement.
