Proceedings of the Board of Revenue

(Land Revenue),

Dated 9th March 1898.

Forest No. 229 — Miscellaneous.

Read Endorsement of the Conservator of Forests, C. C.
dated 28th February 1897, No. 1253 forwarding
letter from the Collector of Chingleput, dated 18th
February 1897, Dis. No. 353. stating that
the appellant Eyed Jaffer has produced two
receipts for grazing fees granted by another
Forest Guard Eyed Manan and they may be
taken as genuine.

Resolution

In this case the Collector support-
ed the District Forest Officer's order of dismissal
on the ground that, although Misappropriation of
money was not proved, the petitioner had admitted
demanding money for a permit on one occasion
and actually receiving it in another, and as

he had no authority to do so, it was held that he was quite capable of embezzling any moneys he might so receive.

2. After two references with regard to evidence adduced by appellant to show that Forest Guards were authorized to receive money for permits, the Collector now reports that it must be presumed that the receipt of grazing fees by Forest Guards, though not authorized, was not disallowed.

3. In these circumstances the case against the appellant falls to the ground and he must be reinstated with arrears of pay.

4. The delay of five months in replying to the Board's Proceedings of the 7 September 96 is discreditable.

5. The petitioner is referred to the Collector who has received orders in his case.
