REVENUE DEPARTMENT.

C. No. 3311 of 1897

From the Board of Revenue (L.R.)

To the Hon'ble the Governor,
His Excellency the Governor,

Dated 20th April 1897.

FOR ORDERS.

There was no Dy Collector permanently attached to the Head Quarters Division in South Canara until 1893 when the Govt directed that the Dy Collector set free by the re-distribution of divisional charges in Malabar be transferred to the S. Canara District for the charge of the Head quarters Division Vide G.O.Ms 2 May 1893 No 370 Rev. When a Dy Collector was wanted for the supervision of the introduction of the disposal number system of record in Revenue offices the Govt approved the Board's suggestion that a Dy Collector should be withdrawn from S. Canara by dividing the work of the Mangalore taluk (Head quarters Do) between the general duty Dy Collector, Further Division & the Head assistant Collector. Vide G.O.Ms 29 June 94 No 2520 Rev. In April 1895 the Collector urged that he should be allowed another

by Collector but his request was not complied with. Vide L.O. 7 May '95 No 1807. flag C

On the completion of the probationary period of Ravi Varma Raja in October '95 he was transferred from Tanjore to South Canara to afford relief to the Collector of the latter district. Vide L.O. 23 October 1895 No 4185 Rev. flag D

In April 1896 Ravi Varma Raja was posted to Tinnevelly for the charge of the Head Assistant's Division (Shenmadevi) which was transferred to the Provincial Service. Vide L.O. 27 April '96 No 1568 Mis. flag E

2. The Collector of S. Canara says that on the transfer of Ravi Varma Raja he was utilizing the services of the Probr by Collector P. Dwaiswami Aiyangar for the charge of the Head Quarter Division until the 16th March last when he proceeded on leave & that Mr. Pinto is now in charge of the Head Quarter Division. Now that P. Dwaiswami Aiyangar has been transferred to Trichinopoly the Collector urges that a separate officer should be appointed for the Head Quarter Division as the existing arrangement cannot in his opinion be continued for any length of time without causing hardship to the people as it places under a single officer 3/5th of the district extending from Canoy (Mulelar) in the South to near Udipi in the North and as far East as the frontiers of Coorg and Mysore." He also observes that Mr. Booty who has been ordered to take the place of Mr. Conchman transfered to Plague duty has not yet been invested with first class powers & that the district is very short of Magistrates.

3. The Collector does not say why the work of the Mangalore Taluk (Head Quarter Division) should not be divided between the Head Assistant Collector & the present Duty by Collector, Putter Division, as was done in 1894. Orders are solicited as to whether a separate officer should be sent as requested by the Collector. If it is decided to comply with his request the Probr by Collector P. Sitaramayya who is now in Nellore may be sent or a local man (Rayade Rama Rao recommended by the Collector in his letter stitched with L.O. 1 March '97 No 1168 Mis) may be appointed as a temporary Dy Collector until the confirmation of any of the Dy Collectors now

Note. He is now invested with full powers

+ I know S. Canara well and I feel bound to say that the division is a very hard one. It is really impossible to divide less than 3 divisions of this district. I do not see why Mr. Conchman should not take the Mangalore Taluk himself as he did in my time. Chittoor

The Board do not see any reason why this arrangement should be made or why an Asst Collr is required. They have only to reject the request for orders which expressed no opinion. I know many letters about this Dr but Mr. Stanwood knows a great deal
