To

The Secretary to the Commissioners
of Land Revenue, Madras.

Sir,

In my letter No. 4858/Acc. dated the 8th ultimo, I requested the Executive Engineer, Godavari Eastern Division, to give me the benefit of his opinion on the question of improving the lighting of the long room in which the Treasury Account Department is located. At present, it is so dark that lamps have to be lit at 4 P.M. and at no time in the day is there sufficient light for the clerks to do their work in comfort, and the strain on their eyes is very great. He accordingly, inspected the building on the 18th ultimo, and informed me that a satisfactory improvement could be effected by raising the pillars of the verandah and Constructing a pakka terraced roof to the verandah. As the Executive Engineer cannot, in accordance with para 4 (3) of G.O. No. 1994 W, dated the 13th August 1894, prepare an estimate of charges for the same, without the previous Sanction of

to the Government, I have the honour to request that the Board will be pleased to obtain it. In our opinion the work is absolutely necessary.

I have &c.
