REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 8th May 1897.

No. 325-3 Miscellaneous

READ ..... the following letter from the Deputy Commissioner of Revenue Settlement, Party No. I, No. 122, dated 7th May 1897:-

In para 18 of the Board's Proceedings dated 5th April 1897, No. 284, reviewing my report, containing proposals for the settlement of the Hindupur and Madakasira taluks, it is stated that "if orders on these proposals are received at an early date, it will be possible to introduce new rates into these two taluks also during the current fasli". I have the honour respectfully to state that there are hardly two months more for the close

close of this fasli and there are already four taluks (Anantapur, Dharmavaram, Kalyandrug and Penukonda) to be settled. The interstitial fields in the said two taluks of Hindupur and Madakasira have still to be measured. It will be thus impossible to complete this work and the introduction of the settlement in all the six taluks and furnish chittas for the revenue jamabandi of the current fasli, of which, as stated above, hardly two months remain. Even in the case of Anantapur, Dharmavaram, Penukonda and Kalyandrug, the revenue jamabandi of the last named taluk will have to be postponed till the 31st July 1897, as was done under similar circumstances in respect of some of the taluks of the Bellary District. The subdivision measurement work in Hindupur and Madakasira will take at least 3 months. I beg therefore to suggest that the Collector of Anantapur may be asked to complete the jamabandi of the said two taluks (Hindupur and Madakasira) without delay, in order that as soon as I complete the settlement of the other four taluks, I might commence the fasli changes and the measurement work in Hindupur and Madakasira, immediately after which I can introduce the settlement and hand over chittahs to the Tahsildars. The jamabandi of fasli 1307 can then be conducted in January 1898 on the basis of the new settlement.

Resolution.

Submitted for the information of Government with reference to para 18 of the Board's Proceedings No 284 R.S. dated 5th April 1897.

2. The Collector of Anantapur will be requested to arrange for an early completion of the jamabandi of the Hindupur and

and Madakasira taluks

3. In view to help the Deputy Commissioner to complete as early as possible the work of introducing the new settlement into the other four unsettled talukes of the District, the Board has in para 4 of its Proceedings No. 342 R. S dated 6th May 1897, requested the sanction of Government to transfer M. R. Ry N. Pattabhirama Rao Garu from Party No. III to Party No. I. That officer will, in anticipation of the sanction of Government, be requested to proceed at once to Anantapur.

4. The following telegram will be despatched to the Deputy Commissioner Party No. II:-

"In anticipation Government sanction, Pattabhirama Rao transferred to Anantapur. Please instruct him proceed immediately."
