in the petn stands as follows
and thus accordance with Govt no 1759/p
passed on his former petition to Govt the
petn herewith submits the orders of the
lower courts therein referred to. As the
petn was aware of the irregularities
of the officials who surveyed his estb-
-lage he refuses to affix his signature
to the survey records in the then present
a complaint to the Coll who trans-
-ferred the same to the Hd Asst Colln
for disposal. But the Hd Asst Colln
declines to interfere (vide his order
no 4216/96 enclosed). The petn again
petitioned the Coll who however re-
-fers him to the Hd Asst's orders ab
-ready passed. Thereupon he presen
-ted a petition to the Dy Supt of
Rev. Survey who sent a Dy Survey
to the village and issues to the petn
order no 1389/96 (enclosed) after the
Dy Survey has done more injustice
to the petn. The petn then appeals
to the Board of Rev. which by B.P.
no 553/96 transferred the matter
to the Supt of Rev Survey Madras
for disposal. The Survey official
then sent to the petn through the
Tahsildar the Land Registers &c
On an examination of these
records

records the pets discovered more discrepancies in them than those he found out when the records left the village for the Survey office. As the pets had no plans with him he pointed out only the glaring errors and returned the records through the Tahsildar on 20-2-96 (vide letter from the Dist to the pets enclosed) The pets then presented a petition to the Supt of Rev Survey on 26-2-96 and received order No 1436. 8-4-96 (enclosed) This order is unjust since the pets case cannot be said to be time barred. The time for presenting a complaint must be reckoned from the date on which the pets initialled the Land Register. Further the pets has always been presenting complaints and the matter cannot be said to have been settled until the issue of a final order. The appeal time will properly begin on the date of such an order. The pets has been also working in Govt's behalf. He complained that some Govt lands have unjustly been included in ryots pattas. Under the circumstances it is unjust that his case should be deemed as barred by limitation.

limitation. In Agali and two other villages the pets owns lands, wells, date trees &c. all values at Rs 10000. The Survey Dept has unjustly marked these as belonging to Govt. Injustice similar to this has been done to many more ryots by the Survey Dept. Under the circumstances the pets pray that the necessary corrections may be made in the Demarcation registers and that the pets may be put in possession of the lands referred to above.

Order misc no. 2545 D/18th May '97.

From a the report received from the Supt., Madras Survey, the Govt observes that the petrs complaints had reference altogether to 42 fields and that those relating to 41 of these fields have been settled as shown below:-

(Ref. Statement in para 1 of the Supt's letter no 198/B dy 21-4-97) the complaint relating to the 42nd field (no 80) still remains undisposed of but it is reported that it will be attended to as soon as our martin, the Dy Supt, returns to duty from privilege leave. The Govt therefore does not see any reason now to interfere in the petrs behalf.

Note

Please see note flagged A for a precis of the petrs complaint

complaints. The report now furnished by the Supt merely gives general information in regard to those complaints, but as it is certain that the Survey officers have patiently heard them and rectified proved mistakes it does not seem worthwhile now calling for a full report on each complaint and investigating it afresh by Govt.

P.W.D. 15. V 97

The Supts letter is very vague. It is difficult to satisfy that Govt interests has not suffered but there appears to be nothing to go upon in making a further reference
