Simla, the 27th April 1897.

SIR,

I am directed to invite attention to the publication (as Volume VII of the Annals of the Royal Botanic Garden, Calcutta) of a monograph of Indian bamboos by Mr. J. S. Gamble, M. A., of the Imperial Forest Service. The book has received the highest commendation from Sir Joseph Hooper, and contains an account, as well as an illustration, of every species of bamboo found in the Indian Empire. 100 extra copies have been printed for possible sale to officers of the Forest Department, and copies are procurable from the Superintendent of the Royal Botanic Garden.

I am to suggest, for the consideration of the Governor in Council, whether, in view of the value of Mr. Gamble's work to the Forest Department, a copy of it might not appropriately be purchased for the office library of each of the Conservators of Forests in the Madras Presidency.

I have the honour to be,

SIR,

Your most obedient Servant,

F G Sly

Under-Secretary to the Government of India.
