REVENUE BOARD OFFICE MADRAS.

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 7th May 1897.

Mis No. 1867.

Read the following letter from the Deputy Commissioner, Cuttack division No. 1089 dated 3rd March 1877 —

With reference to para 5 of Mr Merriman's inspection remarks of the Tada factory No. C 4 dated 25th February 1894 and renewed in Board's Proceedings Mis No. 1119 (S-R) dated 12th March 1894 proposing the construction of a bridle path therein, I have the honor to report that a strip of land of 58 Cents belonging to private individuals has to be acquired As the owners demanded compensation at the rate of Rs 80 per acre which appeared to be rather high, the Collector of Nellore was addressed in September with a view to the land being acquired under the Land Acquisition Act. He has now forwarded a draft declaration and requested the transmission of the same to Government after noting the order sanctioning the cost of acquisition of the land in the last Column of the declaration. I request that the Board will

will be pleased to sanction the amount (Rs 23·3·2) and transmit the draft declaration to Government.

2. A sketch plan of the Site is herewith enclosed for the Board's reference.

Resolution:—

During his inspection of the Tada factory in February 1894 the Deputy Commissioner, Central Division ordered the Submission of an estimate for making a bridle path direct from the officers' quarters to the factory (Vide sketch enclosed) and remarked that a small strip of land measuring 58 cents would have to be acquired for the purpose. The Deputy Commissioner now requests the Board's Sanction to the Estimated Cost of the acquisition which is reported to be — Rs 23·3·2 and Submits in original the Nellore Collector's letter addressed to Government together with a draft Notification and Schedule

Schedule. The Board approves of the project and Submits the Collector's letter and its enclosures to Government for the issue of the necessary Notification.
