Order

It appears too early to make any enquiries as to whether there are destitute persons in villages or as to their circumstances. It is necessary therefore to engage any circle inspectors at present.

19-1-97

I have to inform the Hon. Secy. Govt. that there are no circle inspectors at present.

PROCEEDINGS OF THE BOARD OF REVENUE

(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following G.O., No. 760, Press, Revenue, dated 30th December 1896 :—

Read—Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 442, Press, dated 16th December 1896.

Order—No. 760, Press, Revenue, dated 30th December 1896.

The reports submitted to Government on the course of the distress in the several districts do not show that gratuitous relief is likely to be needed in any portion of the affected tracts for a very considerable time to come. Such relief, when once started, spreads rapidly, and is expensive and difficult to control. It is needed only when the season continues bad for a long time in order to save life but it should not be started till then. The engagement of Circle Inspectors is not a difficult matter and the Government sees therefore no reason to suspend the notice of discharge issued in pursuance of G.O., No. 3891, dated 29th September 1896.
