Read the following.

Letter from the Superintending Engineer, III Circle
No. 497W dated 23rd April 1897.—

In reply to your No. 2,164 C dated 14th April 1897, I have the honour to invite your attention to this Office Nos. 112C, 3961W, 13-1-97, 8-2-97, 16-2-97.

1. In the former, I sent you the revised programme of famine relief works for the Circle including 3 works in Kadri Taluk and 4 in Rayachoti Taluk; and in the two latter, I requested you to expunge two of the works in Rayachoti Taluk (Nos. 42 & 43 respectively) because they had on investigation, proved to be impracticable.
2. This leaves only 3 works in Kadri & 2 in Rayachoti Taluk. Of the former, the T.R.S. Party is now investigating the first in the list (No. 34) which promises well, and I hope to receive estimates shortly. On its completion, they will take up Nos. 35 & 36.
3. Of the two remaining works in Rayachoti Taluk.
