The peti. states as follows:-

Till the year 1868 the peti. was in the enjoyment of 4¼ acres of inam land attached to the village shroff office which he, and before him, his ances-tors were holding. The inam was granted neither by the present zamin-dar nor by his predecessor but by him who precedes both of these. In the year above referred to, the zamindar with the connivance of those who has executed a cowle deed for the inam in favour of the peti. took possession of the land and removed the peti. from the shroff's place. ~~Against this~~ The peti. complained of this to the Colr. who res-tored him to office. A private copy of the order of 2nd Jul 1868 reinstating the peti. is enclosed. The originals has been submitted to the Board and has not yet been returned. Against the Colrs order the zamindar appealed to the Board. The order of the Board dismissing the peti was communicated to the peti in Sub Colrs Endt. of 8th May 1869 (enclosed). The peti. prays that the enclosed papers may be perused, the papers submitted by him to the Board may be sent for & perused and that he may be restored to office & put in possession of the inam in question

C.R. 4014 of 1897

For orders.

The facts of the case are not clear but in view of the fact that the petition relates to events that transpired about 30 years ago, it seems unnecessary to call for further records from the petr or refer the papers to the Board of Revenue for report.

According to the petn's statement, the petr was, until 1868, a shroff holding certain inams in Bharmavaram village of Godavari that year, the Zemindar under whom he was serving, dismissed him and took possession of the inams. The petr thereupon complained to the collr and that officer restored him to the office. On a further appeal preferred by the

Zemindar however the Board reversed the coll's order in 1869. Petr who thus lost his appointment now appeals to Govt and prays that he may be restored to the office and put in possession of the inams.

In the Subcoll's endorsement dt 8-5-69 it appears that the petr is told to sue the Zemindar for whatever might be due to him. This shows that the petr was a private servant of the Zemindar. In any case, the petr has slept over his rights, if any, for about 30 years and it is submitted that he may be told that
