READ—also letter from the same officer, No. 966, dated 1st March 1897.

ABSTRACT.—Requesting sanction for the entertainment of the usual temporary establishment for the prevention of illicit removals of spontaneous salt from the shell-pits of the Vayalur circle.

READ—also letter from the same officer, No. 633, dated 3rd April 1897.

ABSTRACT.—Reporting that the special establishment entertained for guarding the temporary platforms of the Vayalur circle was dispensed with on 31st March 1897.

RESOLUTION—No. 143, dated 8th April 1897.

In G.O., Mis. No. 2119, Revenue, dated 2nd June 1896, sanction was accorded to the retention up to the 31st October last of the establishment of one petty officer and six peons employed in guarding the temporary platforms of the Vayalur circle, but, as the stocks were not cleared, the local officers kept on the temporary men in anticipation of sanction up to the 31st ultimo. The Board requests that the action of the local officers may be approved and that formal sanction may be accorded to the retention of the establishment up to the end of 1896-97. There is still some salt left on these platforms but it is all liable to destruction under the five years' rule and will be destroyed shortly. Meanwhile as the line guards are now out no special force is required for guarding it.

2. The Board also request that as in previous years (*vide* Government Orders noted in the margin) sanction may be accorded for the entertainment of the usual establishment of one petty officer and ten peons for six months in the current year for the prevention of illicit removals of spontaneous salt from the shell-pits of the Vayalur circle. As spontaneous salt may now form at any moment in the shell-pits, the Deputy Commissioner has authorised the Assistant Commissioner to entertain the necessary establishment in anticipation of sanction and

the Board requests that his action may be approved. The usual proposition statement in duplicate is enclosed. The cost can be met from the provision made for establishments in the budget.
