Current No. 674 of 1897.

From the Board of Revenue, Land Revenue.

Dated 21st January 1897.

FOR ORDERS.

The HON'BLE MR. GROSE, C.I.E.

In para 5 of G. O., dated 11th September 1896, No. 459, Revenue; Government expressed the opinion that redemption of land revenue should in future be disallowed except in cases in which the Government is pledged to allow it. Accordingly in G. O. dated 11th Jany: 1897, No. 155 Revenue, it was ordered that the clause relating to the redemption of land revenue should be struck out of a certain permanent putta submitted by the Board for signature. With the current read above the Board resubmits the putta, and refers for the orders of Government the question whether the second clause on page 2 of the putta, which, in its opinion, "depends on and refers to the redemption clause" immediately preceding it, should not also be scored out. The clause in question

c. 2/2/77.
R 4/2/77

runs as follows:-

"Provided also that this Certificate in no way affects the liability of the aforesaid land to payments for General Municipal or other local purposes nor does it in any way affect any rights or interest which other parties may have in the said land or any of the other conditions on which it is now held and which are now applicable thereto and are consistent with this Certificate".

It is doubtful whether the Board is right in considering that the clause depends on and refers to the redemption clause and should therefore be struck out.

M. M. M. 31/1/97

I do not understand exactly what is meant. The above is a proviso which does not depend on the other which is a proviso about redemption. Perhaps they mean the second sentence of that proviso.

G. O. R. No. 261 d. 6th Feb. 1897

It is not understood how exactly the second clause on page 2 of the deed depends on or refers to the proviso about redemption. If it is meant that the clause in question depends on or refers to the second part of that proviso, the Board of Revenue is requested to state its reasons for considering that the former refers to or is dependent on the latter.
