Note for the Under Secretary

With reference to the Under Secretary's remarks on the docket sheet of Cyos 3870 and 4213 of 97 re the delay in the submission of Cyo 3870/97, I beg to submit as follows:—

Cyo 3870 of 97 was received in the Madras office on the 12th May and was submitted to the Under Secretary on the 20th idem (viz the day previous to the receipt of the telegram from Govt to send the Current without delay). The Current therefore remained with me for 8 days. The Current in question had to be treated as "Emergent" owing to the fact that Mr Gomperty had no work. Of this fact, however, I was not aware as no mention of it was made in the Current. For the same reason I did not give preference to the Current in question over other papers ~~I beg to submit that~~ (including the papers of the 1st and 2nd Clerks of the Under Secretary which I had to reference). I beg to submit that if there was anything to show that the Current was urgent, I would not have kept it for 8 days although the Govt notification had to be checked by reference to the Fort St George Gazette.

In this Connection I beg to submit that also my work is now as heavy as during the stay of the Court at Ooty I have to reference the papers of both the 1st and 2nd clerks of the Under Secretary which was not the case in the previous years except in 1896 when an extra clerk was doing the work

In these circumstances I beg to be excused.

Clerk

until 1895 (inclusive) only the 1st Clerk of the R. S. used to be taken to the Hills while from 1896 both the 1st and 2nd Clerks are being taken.
