Simla, the 8th May 1897.

SIR,

I AM directed to acknowledge the receipt of your letter No. 1204, dated 19th March 1897, in which you ask that Mr. D. Hooper, who has been provisionally appointed to the post of Assistant Curator, Economic and Art Section, Indian Museum, may be permitted to draw the maximum pay of the appointment, *viz.*, Rs. 600 per mensem, and that the designation of the appointment may be changed to Curator, Economic and Art Section, Indian Museum.

2. In reply I am to say that Her Majesty's Secretary of State has been addressed regarding Mr. Hooper's pay, and His Lordship's decision will be communicated to you in due course, and that the Government of India have no objection to the designation of the appointment being changed as proposed.

3. I am, however, to explain that the question of the abolition of Mr. Hooper's appointment as Quinologist to the Madras Government is still under discussion with the Secretary of State; and that until His Lordship's final orders are received in the matter, it is presumed that the Madras Government will only lend his services. In that case he could be appointed *sub. pro tem.* only to the Curatorship. The Government of India hope, however, that His Honour the Lieutenant-Governor and the Trustees will accept this arrangement as a temporary measure, as they have every reason to believe that it will shortly become possible to make it permanent.

I have the honour to be,

SIR,

Your most obedient Servant,

F. G. SLY,

Under-Secretary to the Government of India.
