Proceedings of the Board of Revenue

(Land Revenue)

Forest NO 284 Misc, dated 25th March 1897

Read the following endorsement of the Conservator of Forests, C.C. dated 23rd February 1897, NO 1225 on letter from the Collector of Salem dated 18th February 1897, NO. 157/D&G.

Forwarded-I do not think the Collector's statement that reservation has been overdone in the district has yet been proved. I have no objection to the abandonment of the two proposals under reference.

Read endorsement of the Conservator of Forests, C.C. dated 23rd February 1897, NO1224, on letter from the Collector of Salem, dated 18th February 1897, NO. 158/D&G.

Resolution.

In a separate Proceedings, the Board has explained the position of affairs in regard to forest reservation in the Salem District. The letters read above show that the Collector was under the impression that the orders issued by the Board and the Government prior to 1891 had not been affected by the orders of later years, and that the earlier policy was to be strictly followed. In the Proceedings F. NO 130 dated 25-3-97 the Board has endeavoured to show that this impression is erroneous.

3 The present proposals relate to certain areas in the Tirupattur Taluk and to a block (NO 25 on the Board's list in B.P 505 dated 11th July 1896) in the Salem taluk. The Conservator and Collector agree in regard to the abandonment of all except the last. In regard to NO 25, further consideration is necessary in the light of Board's Proceedings Forest NO 130 dated 25-3-97. The Board accept

ccept the proposals in regard to the others. The Collector should embody them in the same notification as that called for under the Board's proceedings just quoted.
