Copy of letter from the Accountant-General, Madras, No. I.A.G.P./83, dated 10th April 1897, to the Chief Secretary to Government, Financial Department.

I have the honour to state that the I.G.S. "Margarita" was placed at the disposal of the Collector of Malabar from 3rd to 16th December 1895 for the inspection of the Laccadive Islands and at the disposal of the Presidency Port Officer, Madras, from 9th to 11th April 1896 for his inspection tour to Panam. The actual expenditure of the vessel including 10 per cent for wear and tear according to statements received from the Collector of Tinnevely amounted to Rs.7177-12-7 on the former and Rs.302-13-4 on the latter account. That officer requested me to adjust the above amounts to the credit of the Vessel. With the concurrence of the Port Officer I have adjusted the sum of Rs.302-13-4 referred to above to the credit of the Steamer by debit to Port Funds. As regards the other item of Rs.7177-12-7, I have informed the Collector that no further adjustment is necessary on the grounds mentioned below. The Collector's proposal merely involves the transfer of the charges from one Provincial head to another; and from the tenor of the remarks of the Board of Revenue in their Proceedings, No.3383, (Land Revenue) dated the 7th December 1894, and from the remarks entered against the head "VIII Marine" in the budget estimates for 1895-97 (G.O. No 1033, Financial, dated 19th December 1895) it would appear that the decision of the Board generally was not to charge other departments of Government for the use of the Vessel. Credit was taken in the budget estimates of that year only for a small sum of Rs.100 under the item "Hire of Vessels" apparently in view of possible recoveries from bodies financially independent of Government such as Port Funds. This decision is also in accordance with (article 95) of the Civil Account Code.

Under

Under these circumstances, I let that my action in the matter
may be approved by Government.
