PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:-

From the Superintending Engineer, V Circle, No. 389 W., dated 8th December 1896.

- do - the Examiner, P.W. Accounts, No. 1397 D/A., dated 19th December 1896.

Order thereon: No. 53 W., dated 14 January 1897.

The Superintending Engineer, V Circle, applies for sanction to rent, at Rs. 5 per mensem, the building lately used as a Deputy Tahsildar's office at Madarpakam in the Chingleput District, to the Manager, Wesleyan Mission Schools, for use as a school.

2. The rent of the building according to Code Rules, is Rs. 300 per annum, and the estimated cost of repairs is Rs. 15 per annum, while it is proposed to recover only Rs. 60 per annum as revenue. The Government sees no reason to maintain the building at a loss, and if it is not likely to be again required for public purposes, it would be better to sell it at once. The Superintending Engineer will accordingly ascertain, in communication with the Collector, whether the building can be utilised for any public purpose, and if not, he will submit proposals for its disposal.
