the following letter from the Collector of Cuddapah, dated 29th April 1897, Reference on Current No. 1984 of 1897. -
Revenue

With reference to Board's Proceedings No. 280, dated 5th April 1897, I have the honour to state that the Government Order of 1885 referred to in the Board's Proceedings seems to apply to that year only and to a part of the Bellary District. I therefore request the Board to inform ^{me} if it applies to this year and this District also.

Resolution.

In the G.O. ^{of 1885} quoted by the Collector, two concessions were sanctioned in respect of Minor

Minor Inams;

- (1) In the case of service Inams left waste, Government sanctioned the remission of quitrent, the concession being limited to dry lands.
- (2) In the case of personal inams held by very poor persons, Government sanctioned the suspension of the demand at the discretion of the collector, each case being dealt with on its merits.

2. The first concession was special. It had reference to a particular year and to a few taluks of the Bellary District, in which alone there was need for concession in that year. The special reason which called for the concession was that village service inams in that district had not then been enfranchised.

3. The second concession is of a general character and should, the Board considers, be held to be applicable in all similar cases, and extended to enfranchised service inams also. It should be distinctly noted that the concession should be granted

granted in the case of very poor persons only.
