SIR,

With reference to para 2 of L. O.
No. 223. Revenue. dated 30 March 1897, I have the
honor to report as follows on the question
of the production of the pay of the Superintendents
of the Dodabetta and Kadirattam Estates:-

1. The present Superintendent of Dodabetta,
Mr H. V. Ryan, joined the Department on
the 15th November 1886 and has therefore about
10½ years service. He is a planter of considerable
experience, and has worked exceedingly well
for Government, the condition of the
Dodabetta Estate having much improved
since he assumed charge. I am of opinion
that his services are well worth the remuneration
he now draws, and so long as he remains
in charge, I would not suggest any reduction
in his pay. Mr Ryan will attain the age of
55 in November 1897, and the question as to
his

his further retention in the Service rests with Government under G.O. No 5350. Revenue of 25th December 1896. The maximum pay of the appointment might perhaps be reduced to £150 after the retirement of Mr Ryan, but I do not think that any change should be made at present.

2. In regard to the appointment at Nedivatham, Mr Collins, the present Superintendent has nearly 14 years service and has worked well during that period. He is responsible for the manufacture of alkaloids, as well as the upkeep of the plantation, and on the abolition of the appointment of Superintendent of Hooker Estate, he will have charge of that Estate in addition to his other duties. He holds a responsible position, the value of the alkaloids manufactured last year being £175,538 and as his work is to be increased I am of opinion that his pay should not be reduced.

3. The three months notice required under article 478 Section I Chapter XVIII of the Civil Service Regulations has been given to Mr. McFay Superintendent of

of the Hooker Estate, and he will vacate his appointment on the 8th July 1897. The usual application for a gratuity will be submitted in due course.

I have the honor to be

Sir
Your Most obed^t Servant

Wm Stansfeld
