I shall be very glad if you are successful, but I shall be very sorry to lose you."

Honored Sir,
Inspector General of Police

22.4.17

I most humbly and respectfully beg to approach your honor with the following few lines with the full confidence that they will receive due consideration at your honors hands and that I may be favoured with a Deputy Collectors appointment in any of the Telugu Districts in the Presidency.

I am a native of Nellore and have been continuously in Government Service since October 1906. I am now 2nd Class Inspector of Police (Head Quarter) Bellary drawing Rs 150 per mensem. I have passed

2-2-17

1945

I have delayed submitting this formal application ere this for want of 3rd class Vernacular Test which I have passed in January last. In March 1898, Mr. Swell the then District Magistrate of Bellary noted against my name in the list of Police officers qualified for Deputy Collector's appointment as follows

"I should think this man best qualified"

I beg to add that I am a good rider and quite prepared to go to any part of the Presidency where the vernacular is Telugu. I know to speak Hindustani well and can understand Tamil and Canarese.

In Conclusion, I most respectfully beg to request that your honor will kindly consider my long service of 16 1/2 years in the Police Department where the duties are more hard and risky and favour me with a Deputy Collector's appointment. For this

act of kindness I shall, as in duty bound, pray for your honor's long life and prosperity.

I attach to this my land statement and beg to say that except

a cousin of mine employed in the temporary establishment of the Executive Engineer's office, Bellary, and another Cousin as a Local Fund School Master in Nellore District, I have no other relatives employed in Government service in any District.

Accepted,
Honored Sir,
Your most obedient & humble servant

FOR ORDERS.

With the endorsement read above the Judicial Dept. transfers an application from P. Lakshminarasu Pantulu, Headquarter Inspector of Police, Kallam, for the post of Dy Collector. He is a Matriculate and his name is on the recommended list. In forwarding his application the Inspector General of Police says "There are other Inspectors whom the undersigned considers to have prior claims to appointment as Dy Collectors". It has been decided recently that for sometime to come no Police Inspector should be appointed as Dy Collector. For orders as to whether the present application ^{should} be recorded or whether the applicant should be informed that the present circumstances are such that he cannot be appointed as Dy Collector for sometime to come.

20/5/97

I think he should be told that his application will be placed on record. There is not sufficient reason for giving him a Permanent Deputy Collectorship, but he knows the duties & may be wanted for famine work.

20/5/97

Flay A.

I think, with the Hon. Secy. Secy, this man's application may be recorded.

But, it is not a Police Inspector, but a Constable or a Deputy. Constable, I do not think this man should be appointed as a matter of course. It is not clear. It should be asked to recommend a man.
