Proceedings of the Board of Revenue

(Land Revenue)

No.4520 Misc.,dated 3rd October 1896.

Read letter from J.Andrew Esquire,Collector of Trichinopoly, to the Secretary to the Commissioners of Land Revenue,Madras, Ref.on Cur.No.943/acctt. of '95,dated 12th September 1896.

Resolution

Submitted for the orders of Government.

2. The Collector of Trichinopoly reports that the nearest sub-treasury,with which the several offices at Ariyalur in the Udayarpalayam taluk have to deal,is that of Perambalur at a distance of 18 miles,while the Kilapalur Union sends its remittances to Udayarpalayam, a distance of about 20 miles.He accordingly proposes to constitute the Deputy Tahsildar's office at Kilapalur,which is only six miles from Ariyalur,into a subtreasury.The transactions of the proposed subtreasury,including receipts and disbursements,are estimated to amount to a little over Rs.50,000 per annum or an average of Rs.~~4000~~ 4200 a month.The Board considers that the proposed sub-treasury would supply a real want and therefore

recommends that it may be sanctioned.

3. The Collector states that, in the event of this proposal being sanctioned, it will be necessary to strengthen the Deputy Tahsildar's office at Kilapalur by the addition of a clerk on Rs.15 per mensem and a shroff on Rs.10. It has to be observed that it is unlikely that the proposed new sub treasury will effect any appreciable reduction of work at the Treasuries of Perambalur and Udayarpalayam taluks. Moreover the entertainment of a shroff on Rs.10 is permissible only when the monthly average transactions do not fall below Rs.10,000. (Vide G.O.No.1071, dated 21st June January 1864); but the anticipated average monthly transactions in the present case amount to only Rs. ~~4000~~ 4200. The Board, however, suggests that a shroff on Rs.10 may be sanctioned as a temporary measure for a year, subject to report at the end of that period. A clerk on Rs.15 appears to be unnecessary.

The Board states that the expenditure can be met from savings in the provision of Rs1850 against item 46 of ~~app~~ appendix 7 to G.O. 681/1-12-96 (C No. 2390/97)

4. It is presumed that no extra expenditure will be required for guarding the treasury and that the sub-jail guard will attend to this work also. The Collector is requested to report what arrangements he proposes to make for the charge of the sub-treasury during the absence of the Deputy Tahsildar from the head quarters.

5. The usual proposition statement prepared in this office in duplicate is appended.

Read again Board's Proceedings dated 3rd Dec 1896 No 4520 Mis.

Reference dated 16th October 1896.

The Board understands from the Accountant-General that Messrs. Binny & Co., who have a cotton press at Ariyalur, are prepared to take up about three lakhs of rupees per annum at a premium of 1/8 per cent if the proposed subtreasury should be located at Ariyalur, instead of at Kilapalur, and that this course will produce a further saving to Government of the cost of carrying the treasure to Trichinopoly and thence to Madras. It is remarked at the same time that, though the distance between Kilapalur and Ariyalur is small, i.e. about six miles, Messrs. Binny & Co. are not likely to take the money from the former place, as they would then have to provide nearly the same Escort as if they had to obtain a remittance from Madras. The Collector is requested to state whether, in view of the above facts, he is prepared to modify his original proposal.

2. The Board observes, however, that the cost of providing accommodation for a Deputy Tahsildar's office and Subtreasury at Ariyalur seems to present a serious objection to the proposed transfer.

Resolution

The papers read above will be submitted to Government in continuation of Board's Proceedings No.4520 Misc.,dated 3rd October 1896.

2. The Collector is not in favor of transferring the Deputy Tahsildar's office at Kilapalur to Ariyalur and the Board agrees with him in considering that the cost of providing accommodation for a Deputy Tahsildar's office and Subtreasury at the latter place is a serious objection to the proposed transfer.

3. The Collector's proposal to raise the pay of one of the Deputy Tahsildar's clerks from Rs.15 to Rs.20 will be considered together with the scheme for the revision of Taluk Establishments.The usual security will be taken from the Deputy Tahsildar and the shroff.Under the existing orders, no security is required from the clerk whom it is proposed to put in charge of the sub-treasury during the Tahsildar's absence in camp.

Re the proposed sub treasury at Kilapalur.

Binny also have a cotton press at Ariyalur and tell me that they will take up about 3 lakhs of rupees there at 1/8 % - roughly about Rs 375 per annum. Ariyalur could be made a sort of intercepting treasury from further taluqs. We could then take the accumulations and save by
