RESOLUTION—Forest No. 106, dated 13th March 1897.

Submitted to Government with the request that the draft notifications, received with the letter read above, may be approved and ordered to be published in the *Fort St. George Gazette*.

2. It is noted that all the blocks proposed for reservation either form extensions to or adjoin existing reserves.

3. The area of the reserves already gazetted in the Rapur taluk is given in column 5 of the area statement as 278,964 acres. On checking the figures with those in the recent Administration report, it is found that the former represents the area for the whole district. The necessary correction has, however, been made in this office. Similar correction has also been made in respect of the figures for the Atmakuru taluk. The Collector is requested to report on the correctness of the Board's figures and to furnish, for the information of the Board and Government, the latest talukwar particulars in respect of other taluks in the district omitting, of course, the areas disafforested under the recent forest policy.
