PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 11th October 1896, No. 856-For. :—

In forwarding a copy of the Forest Settlement-officer's letter, No. 235, dated 30th September 1896, reporting the completion of the settlement of the Anantasagaram reserve block B, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. I suggest the 1st January 1897 as the date from which the reservation should take effect.

3. Draft notification, claim register, sketch-map and area statement are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated Bapatla, 30th September 1896, Ref. No. 235-Cur.

I have the honour to report the conclusion of the settlement of the proposed Anantasagaram B. block in the Atmakur taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 11th June 1895, and the proclamation under section 6 of the Act was published in the District Gazette, dated 2nd November 1895. The three months' time allowed for the presentation of claims expired on the 2nd February 1896.

3. The reserve was inspected, perambulated and enquired into by me during this month and nine claims were preferred for the following rights:—

- (i) One claim to a Government patta field.
- (ii) Do. to a shrine.
- (iii) Do. to a right of way to the above.
- (iv) Six claims to certain rights of way.

The claims to Government patta fields, to the shrine and to certain rights of way involved in item Nos. (i), (ii) and (iv) were admitted and the patta land and the shrine have been excluded by an alteration of the reserve boundary.

4. The reserve line has been altered with the concurrence of the District Forest-officer so as to leave a considerable margin between the reserve boundary and the village-site of Variguntapadu as required in Board's Proceedings, Forest No. 242, dated 23th April 1895.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

- (1) A signed copy of the B-register of claims.
- (2) The draft notification under section 16.
- (3) The sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

In forwarding a copy of the Forest Settlement-officer's letter No. 329, dated 5th December 1896, reporting the completion of the settlement of the Anantasagaram block A, Atmakur taluk, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. I suggest the 1st March 1897 as the date from which the reservation should take effect.

3. Draft notification, claim register, sketch-map and area statement are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 5th December 1896, No. 329.

I have the honour to report the conclusion of the settlement of the proposed Anantasagaram A block in the Atmakur taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 11th June 1895, and the proclamation under section 6 of the Act was published in the District Gazette, dated 2nd November 1895. The three months' time allowed for the presentation of claims expired on the 2nd February 1896.

3. The reserve was inspected, perambulated and enquired into by me during September 1896 and eight claims were preferred for the following rights:—

- One petition to exclude a portion of the reserve near Chuttuguntapalli.
- Seven claims to certain rights of way.

The petition of the ryots of Chuttuguntapalli, hamlet of Anantasagaram, involved in item No. 1 was rejected as they had no claim to make; but with the object of straightening the boundary and excluding land fit for cultivation the District Forest-officer has made exclusions on the eastern and western boundaries of the reserve. Of the seven claims to certain rights of way, four claims were admitted and the remaining three claims were rejected as unnecessary; of the four rights of way admitted one has been excluded by an alteration of the reserve boundary.

4. The reserve is thus free of all rights except those stated above.

5. The following are herewith submitted :—

- (i) A signed copy of the B. Register of claims.
- (ii) The draft notification under section 16 of the Act.
- (iii) The sketch-map of the reserve.

6. The date from which reservation is to take effect has to be inserted in the draft notification.
