Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 22nd may 189).

No. 3623 Miscellaneous.

READ.... the following letter from the collector of Anantapur, dated 16th may 1897 C No: 2362 of 18.5.97:—

Referring to your correspondence ending with Board's Proceedings, No: 206 dated 9th march 1897, on the question of famine batta to Government Servants, I have the honour to request that the necessary orders of Government may be obtained by wire for the payment of batta to the inferior Servants of this district. Cholam and ragi are at present

present selling at 14 and 17 Seers per Rupee on an average and thus comparatively high range of prices has been maintained for the last 6 months nearly with hardly any abatement and has caused great distress and privation to the low paid Government Servants many of whom have large families dependant on them. Apart from the fact that they can claim this batta under Section 72 of Civil Account Code, it seems to me unjust to exclude this deserving class from any relief. There is no reason to doubt that the pinch of want is felt here to the full as much as in Ganjam.

Resolution
