PETITION

Most Honoured Sir

The humble petition presented by

the Inamdars and Rajats of Bhima krosu-
paleu a village in the Ramachendrapur
Taluk Godavary District.

- 1 This village is lower in level than the neighbouring villages; Consequently much of the drainage comes from them to this village; Besides this, the stream called Atraya is overflowed with excess of drainage in the rainy season. In addition to this, the lands of this village are of a salty nature. Therefore it is inconvenient not only to cultivate these lands at the proper time but the lands cultivated do not all bear fruit being prevented by the above reasons.
- 2 The lands of this village do not admit of any other crop to be cultivated but of the white paddy.

4 Intending to obtain justice, we sent in
a petition no 719 to the Settlement
Commissioner and another to your Excellency
@ 3-8-95
[no 1702], but we received no just reply
@ 31-8-96
to either of the petitions. Not only this, the
officers engaged in the settlement of these
lands did not properly examine either
our lands or the sources of loss to the produce,
nor did they even measure the crops.

on our lands according to the produce.
