SUBJECT.

Agreeing with the accountants General
in considering that J. Ramakrishnaiah, Revenue
Inspector, Krishna District cannot
claim higher rate of leave allowance
as he holds only a temporary app.
as AD Clerk in the establishment.
The Dy Director of Land Records and
Agriculture, as he relates to
his permanent appointment with
him he goes on such leave

on --- that he may draw will depend on the orders of the collector of Kistna and bear no reference to the scale of remuneration sanctioned for his present post.

2. The Accountant General in his ruling apparently pays no consideration to the wording of Section 94 of the Civil Service Regulations, which states that "a temporary appointment is an appointment carrying a definite rate of pay and sanctioned for a limited time; and it is merely as a matter of convenience that the post in question has been treated heretofore as 'Temporary'." Under the above section, it appears to me, however, that, bearing in mind sections 47 and 49 (a), the Head Clerk is entitled to such portion of the definite pay of his present post as I may find it possible

possible to grant under 373 and 161 (iii). If this be not the case is one of such distressing hardship that I request that special orders may be obtained for permitting my Head Clerk to draw half pay during his present period of absence on sick leave. As the Board is aware, the scale of pay sanctioned has been shown to be too low for the duties imposed.

Resolution.

Submitted for the orders of Government, through the Accountant General.

2. J. Ramakrishna's permanent appointment is that of Revenue Inspector on Rs 35 per mensem in the Kistna District. He was appointed Head Clerk of the Office of Deputy Director of Land

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 25th November 1896.

No. 5991/1896

READ

the following letter from the Deputy Director of Land Records and Agriculture, Madras, dated 28th September 1896 No 339. :-

I have the honor to submit herewith certain correspondence which I have had with the Accountant General regarding the leave allowances of the Head Clerk of the Land Records branch of my office. This officer's health broke down in July last, probably owing to the character of the work imposed on him and it will be seen that under the ruling in question the Director of Land

in records in Rs 60 per month
193 in the establishment sanctioned
temporarily for five years in
Government Order No. 5963 Rev
dated 19th November 1891. He
was granted sick leave from
27th July to 21st October 1896. For
this period, the Deputy Director
claimed for him leave allowance
at Rs 30 per mensem, being
half the pay of his present post,
but the Accountant General
objected to the claim on the
ground that under articles
373(c), 47 and 161(a), iii of the
Civil Service Regulations, the
Clerk was entitled only to such
leave allowance, not exceeding
half the pay of his permanent
post, as might be available
after paying acting allowances
to those who might act in
the arrangement in the Kishna
Collectorate

Collectorate. The Deputy Director
however, states that under Article
94 of the Civil Service Regulations, a
temporary appointment is one carrying
a definite rate of pay (not salary), and
that the office was treated hereto-
fore as temporary as a matter
of convenience only and that
under articles 94, 47 and 161(a), iii of the
Civil Service Regulations, his
head clerk is entitled to a
moiety of the pay of the present
post. But this view of the case
has not been accepted by the
Accountant General. The
Deputy Director requests that if
his view is not accepted, the
case may be treated as a special
one, considering the low pay
of the Head Clerk for the duties
imposed on him, and that
orders be obtained for permitting
him to draw half the pay of
his present post. The Board
is

not aware of any provision in
 the Service Regulations under
 which local government can
 treat this as a special case
 but if there is any such
 provision the Board recommends
 that Mr Binson's Head Clerk,
 may, as a special case, be
 permitted to draw allowance
 at half the pay of his temporary
 appointment, during the
 period of his sick leave.

Fort St. George,
 Accountant General's Office,
 3rd December 1896.

Forwarded with the remark that
 as T. Ramakrishnayya, Revenue
 Inspector, Krishna District holds
 only a temporary appointment as
 Head Clerk in the establishment of
 the Deputy Director of Land Records
 and Agriculture, he reverts to his
 permanent appointment when he
 goes on sick leave.

His leave allowances should therefore be
 regulated by article 373(c), 47, and
 161(a) iii of the Civil Service Regulations.
 There is no rule in the Civil Service Regulations
 under which the Local Government can
 sanction the higher rate of leave allowance
 claimed by Ramakrishnayya.
