Submitting to Government abstract statements showing progress in the acquisition of land and payment of compensation therefor during the year 1896.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

RESOLUTION—No. 132, dated 23rd April 1897.

The Board submits to Government abstract statements showing progress made in the disposal of applications for lands required for public purposes and of claims to compensation in respect of lands taken up for the calendar year 1896.

2. *Statement No. I—Applications for lands.*—The total percentage of disposals was very satisfactory, being 76 against 47½ in 1895 and the total extent which awaited transfer at the end of the year also showed a satisfactory decrease* as compared with the previous year. The percentage of disposals in Vizagapatam was very low, while the outstandings in Kistna, Ganjam and Godavari are still large.

3. *Statement No. II—Claims for compensation.*—The progress observable in this statement is also satisfactory, 76 per cent. of the pending claims having been settled against 74 per cent. in the previous year. The percentage of disposals in South Arcot continues to be low, while the value of the outstandings in Chingleput as shown by the extent of the lands concerned is still large.
