GOVERNMENT OF MADRAS

My dear Price,

I send you the copy of a letter which I have received from Le Hunte, and of my reply thereto. If anything should be necessary in the way of notifying either to him or the Accountant-General the pay and travelling allowances that he is to draw, would you very kindly do what is necessary?

Yours sincerely,

GOVERNMENT HOUSE,

19th May 1897.

My dear Le Hane,

Orders have already been passed as to your pay as Famine Commissioner. You will get the same as what you now get as acting Member of the Board. Travelling expenses, I suppose, would follow the same rule, and you would get the same as now. Settlement tents and establishments, as you suggest, you might continue to utilise as you now do. Winterbotham will probably want tents when he arrives. But probably he could arrange to use

Dear Sir.

I shall want orders about the pay of Famine Commissioner.

I also want orders about travelling allowances, which should not be less than I am getting. When I tell you that I have changed camp about 110 times since November, and travelled over 6000 miles, you will understand that I have lost money over it.

I also want orders about tents & establishments. As Rw. Settt is supposed to run famines also, it will only be necessary to order that the tents, peons & establishment either the Land Revenue or Salt tents for a time. If more establishment is needed, you will, of course, ask for it.

As regards your privilege leave. As Govt. may desire me to say that you will be allowed to take it unless the season is unfavourable.

I am sending a copy of this to Price, and asking him to issue whatever orders may be necessary.

Yours truly
W. Galvin.

already at my disposal shall continue to be so. For my personal use I have never taken more than one clerk with me & I course could not do with less. If distress increases Buckley will want more hands. In 91/92 Clogstoun had 12 Stock Inspectors doing clerical work in the office, but hitherto we have asked for nothing. Famine papers have been going thro' the hands of the 2nd Asst. & Buckley will want his assistance still. With Sreenivasier slow beyond description, the 1st Asst continually sick or absent from one cause or another and now applying for leave, the current work is in arrears, tho' I have done all the work which the Secy sent me.

It was understood that I was to take privilege leave from 22nd June, & I will send in the application as a form accordingly. It would be better, I think, if you would only tell me .d.c. that I can take it if the season allows, & not gazette it till afterwards. I very much fear that the season will not allow it, & in that case I would not think of taking leave, tho' I have had no priv. leave for 4 years, no furlough for 10, & only one in more than 25 years. I would therefore be glad to get leave, as I am suffering both from gout & rheumatism; but the public service first, & if the prospects are bad I will stay on.

I want orders on above points soon as I shall be unable to tour after Winterbotham returns, without them.

Yrs Sincy
H. Lefroy.

Endorsement ~~from~~ of the Public Department—

Dated 21 May 1897 No 1093 ~~189~~.

FOR ORDERS.

In his D.O. to the Private Secretary Mr. Le Fanu requests that orders may be passed regarding his pay as Famine Commissioner, travelling allowances, tents & establishments. His pay as Famine Commissioner has already been fixed in G.O. of 8 May 1897 No 5536. As regards the establishment to be allowed to him orders are being issued separately. The questions now for consideration are (1) what travelling allowances he should draw & (2) what should be done for tents.

2. Mr. Le Fanu is an officer of the first class & the allowances admissible for travelling by railway, road &c are the same for all first class officers. The rate of daily allowance however varies under article 1167 of the Civil Service Regulations & Appendix No. 25 thereto. A member of the Board of Revenue is entitled to a daily allow-

of Rs10 whereas Mr LeFanu as Famine Commissioner can draw only Rs 5. He urges that his travelling allowances as Famine Commissioner should not be less than what he has hitherto been drawing as Member of the Board of Revenue. The rate of daily allowance cannot be raised without the sanction of the Govt of India. Orders are solicited.

3. As regards tents it is submitted that as already pointed out by the Private Secretary Mr LeFanu may be informed that he may use the tents of the Settlement Commissioner leaving Mr Winterbotham to utilize for the present the tents of the other Commissioners.

The Govt. of India will be accordingly addressed in the Financial Dept. to accord sanction to the grant of the increased rate of allowance.

2. As regards the tents required by Mr.LeFanu, he will be informed that with the power in charge of them he may use the tents of the Settlement Commissioner as hitherto leaving Mr. Winterbothan to utilize for the present the tents of the other Commissioners.

Sir,

Mr.W.J.H.LeFanu I.C.S.who was acting as a member of the Board of Revenu during the absence of Mr.E.M.Winterbotham on furlough has been appointed as a Famine Commissioner and allowed the salary of Rs.2933-5-4 per mensem which he drew as acting member of the Board of Revenue.Under article 1167 of the Civil Service Regulations he can draw a daily allowance of Rs.5,whereas a Member of the Board of Revenue is entitled to an allowance of Rs.10 per diem. Considering the special nature of the work of a Famine Commissioner H.E.the Governor in Council is of opinion that Mr.LeFanu should be granted the same rate of daily allowance as a member of the Board of Revenue and I am accordingly to request that the Government of India will be pleased to sanction the increased rate of allowance to him.

28/6/97

Note for the Underdecy.

With reference to the Secretary's note on the slip annexed, please see the G.O. submitted. There does not appear to have been any proposal to make the Famine Commr an additional Member of the Board of Revenue, but Mr. le Fanu was allowed to draw the pay of an Ag: Member of the Board of Rev. and also daily allowance commensurate as a Member of the Board of Rev:. Please see P.D. $\frac{536}{8.5.97}$ Rev. + $\frac{2737}{31.5.97}$ Rev. In G.O. $\frac{30/3}{4.6.97}$, the 4 Cls props: were allowed to be issued as 'Board's Props'.

P. T. O.

Please see B.P. No. 4019/3.6.97
in f.o. 2013/14.6.98: The Famine Commr.
suggested that, with a view to
preserve the continuity of famine
records and to minimise the
staff of additional establishment
required, his proceedings
were being issued as Board's
Procs: and solicited the sanction
of Govt to this being done. He
distinctly stated that the Procs:
of course are and purport to be
those of the Famine Commissioner
and not those of the Board."
The proposal was
approved in the f.o. above quoted.
