PRIVATE SECRETARY TO THE GOVERNOR MADRAS

GOVERNMENT HOUSE

Octacamund
7th May 1897

My dear Stokes,

GOVERNMENT OF MADRAS
10 MAY 97

With reference to the enclosed, His Excellency wishes you to ascertain from the applicant what qualifications he possesses, and what his age is. His Excellency remembers to have seen him at breakfast one day last year; & the impression left on his mind is that the applicant would not be a suitable person for a Deputy Collector.

Yours sincerely,

To

HIS EXCELLENCY THE HONORABLE
SIR ARTHUR ELIBANK HAVELOCK, G. C. M. G.,
Governor of Madras.

The humble Memorial of Alfred D. Zaccheus, Vakil, High Court, Madras.

Respectfully Sheweth,

That your Memorialist is a Native Christian of respectable parentage and is the son of J. Zaccheus, Esq., Principal and Manager of Black Town High School, Madras, and a member of the Free Church Mission.

2. That he received all his education from the Madras Christian College and graduated from the same. That he was till 1893 Head Master of Harris High School a Muhammadan Institution and on his having passed the B. L. Examination in 1893 took to Legal Profession and has since been practising as a Vakil of the High Court, Madras.

3. That on his having applied to your Excellency's predecessor for an appointment as Deputy Collector he was directed to pass the Revenue Higher Test which is not in the curriculum of the B. L. Degree and to report the same to him which he passed creditably securing the fourth place in the 1st Class.

4. That as his having passed the Revenue Higher did not take place during the regime of His Excellency the Honorable Lord Wenlock he could not remind him of the same but in the breakfast day last year he in conjunction with his father had an interview with His Excellency when all his claims and references were presented to your Excellency.

5. That he is prepared to pass any of the minor Technichal Examination within a year if he is posted a Deputy Collector in any of the Tamil speaking Districts.

6. That considering the pancity of Native Christians in public service and considering the marked attention the backward class have received from His Excellency's Hands the petitioner hopes at no distant date his claims will be duly considered and that he would be offered a place in the Revenue or Judicial Department

For which act of kindness Your Memorialist shall ever pray.

Madras,
6th May 1897.

A. D. Zaccheus

TESTIMONIALS.

CHURCH MISSIONARY SOCIETY.
Madras, 26th June 1891.

I certify that Mr. A. D. Zaccheus, B A. B.L. has been employed in the Harris School for Nine years during the last two of which he has been in charge of it. He has performed his duties to my satisfaction and I believe him to be thoroughly honest and trustworthy man.

(Signed) EDW. SELL,
Secretary.

ROYAPETTAH,
16*th March* 1891.

Mr. A. D. Zaccheus was Head-master of Harris High School under me from March 1886 till I resigned my post of Principal in December 1890. During that period he was successful in raising the numbers and efficiency of the School and I hope he will continue under my successor and prosper still more. He won the esteem of teachers' and boys and his knowledge of Departmental Rules and customs was a great help to me in my correspondence with government. He is a Science man and a good instructor in Science and English and superintended the school Registers in a way that always gave satisfaction to the Inspector. The number of candidates that have passed the various Examinations is a proof of how well he pushed the boys through.

(Signed) M. G. GOLDSMITH,
Late Principal.
Harris School.

MADRAS,
11*th June* 1888.

Mr. Alfred D. Zaccheus, B. A. has been known to me from his boyhood. As a student in the Christian College he conducted himself with propriety and did his work with diligence and success. He is a young man of good character. He has had considerable experience as a teacher in which profession I wish him all prosperity.

(Signed) GEORGE MILLNE RAE, M. A.

Mr. A. D. Zaccheus, B. A. has been the permanent 1st Assistant Master in St. Thome Seminary from January 1883 to March 1886. He has acted also as Headmaster for about 10 months and has been the *English and Science* teacher of the Matriculation class all along. I have much pleasure in certifying that he has performed his duties to my entire satisfaction. Both Mr. Quinless the late Headmaster and Mr. D'Cruz, B. A. the present, have acknowledged to me the valuable assistance Mr. Zaccheus has rendered to them. He is a good and able teacher taking much pains in his work. He has a been a master very popular with his pupils and the classes he taught have always acquitted themselves with great credit in public Examinations.

I regret very much he is tempted by brighter prospects elsewhere to resign his place and leave us. I wish him every success in his future career.

(Signed) J. B. GONSALVES,
Manager.

MADRAS,
16*th June* 1885.

Mr. A. D. Zaccheus, B. A., was for some time in a temporary appointment in my then office of Examiner of Ordnance Accounts from which he went to a temporary appointment in the Pay Examiner's Office. He seems to have gone into Educational work while I was absent from India. I had a good opinion of him and was only prevented from bringing him in my Permanent Establishment by there being no vacancy. He is a clever accountant.

(Signed) C. T. P. LUXMOOR, LT. COL.
Examiner Commissariat Account.

Mr. A. D. Zaccheus has been nearly one year Headmaster of Harris School and the best proof of his efficiency is the great increase in the number of the students and the gratifying success attained in the last Middle School and Matriculation Examinations.

15*th March*, 1887.

(Signed) M. G. GOLDSMITH,
Principal.

In support of the accompanying application for increase of salary by our Headmaster Mr. A. D. Zaccheus, B.A. I gladly certify to his success in helping forward the restoration of Harris School after the futwa of 1884 and the failures of Mr. Huffton. Mr. Zaccheus has energy and tact and is popular with teachers and boys. He relieves me of all secular instructions with the exception of translation paper work.

(Signed) M. G. GOLDSMITH,
Principal.

ROYAPETTAH,
Madras 2nd March 1895.

Mr. A. D. Zaccheus, B.A.,B. L. has been known to me for about nine years in connection with Harris School. Though I have had no official connection with the School for some years I have had plenty of opportunity to observe Mr. Zaccheus' conduct. He has discharged his duties as Headmaster with great ability and has won the esteem of his fellow Masters and of the scholars. The discipline of the school has improved during his Headmastership. As a friend I have always found him very ready with sympathy and advice. He has my best wishes for success in the legal profession to which he has attached himself.

To

Acting Secretary to Government
Ootacamund.

Sir

With reference to Official Memorandum No 105 dated 13th May 1897 I beg to state that I graduated in Arts and Law taking Tamil as my optional subject. I was for a short time employed in the Accountant Generals office, Military Pay Examiners office and Ordnance office as a clerk but not being able to secure a permanent place I took up the teachers Profession and was the Headmaster of St Thomas Seminary and Hanna School (aided Institutions) for more than 10 years. With the object of qualifying myself for the Deputy Collectors place I appeared for the Revenue Register and secured the 4th place in the 1st class. The Accountants Test Register and Survey Test are the only remaining minor tests which I shall qualify myself this year if I am taken on probation. My attempts to enter the Revenue Department for the last 15 years have always proved unsuccessful. My present age is 38 years

Hoping to be favored.

I beg to remain
Sir
Your obedient Servant
