REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 18th May 1897.

No. 3493 Dis:

READ the following letter from the Collector of Salem, dated 24th April 1897 Ref no 558/B&S:-

I have the honour to enquire whether the administration report of the Irrigation cess Fund may be submitted so as to reach the Board's office on the 15th August, the date prescribed for the submission of the cattle pound and village service Fund Reports, in Board's Proceedings No 400 L.R. dated 24th October 1896 or whether it should be

be submitted on the 1st May, as heretofore

I request the favour of early orders

Resolution

As the reasons given in para 9 of Board's Proceedings No 319 dated 24 August 1896, Land Revenue, disposed of in Government order No 497 Revenue dated 28 September 1896, apply equally to the report on the operations of the Irrigation Cess Fund, the Board requests that Government will be pleased to fix the 15 September as the date for the submission of this report also, as in the case of the other Special Fund reports.

G.O. mis No. 2750 of 31st May 97.

The Accountant General is requested to state whether the Board's Irrigation Cess Fund Report is utilised by him in the preparation of his Administration Report on the Revenue and Finance of this Presy for incorporation in chapter V of the Presy Administration Report or any other similar report and if so, to specify the latest date on which a copy of the Board's report should reach him.

Note.

In the administration Report which the

Board submits annually for incorporation in the Presidency administration Report a chapter was being devoted to Irrigation Cess Fund. But this Chapter was not being utilized by the Public Dept and ~~on~~, on enquiry, it ~~also~~ appeared that the Accountant General too did not make use of it in the preparation of his administration Report on the Revenue and Finance of this Presidency; the Govt. accordingly ~~accepted the~~ approved of the Board's proposal to omit that chapter from its annual report.

The question now raised is as to the date of submission of the separate ~~chapter~~ annual report on the same subject, that is, on the Irrigation Cess Fund. Under the orders now in force Collectors

have to send in their reports to the Bd by the 7th May and the Board, its consolidated report to Govt. by the 31st July. There were also the dates fixed for the submission of the reports on the Cattle-pound and Village Service Funds. But as the time allowed was quite insufficient for the complete verification of the accounts, the Govt. on the representation of the Board of Revenue, fixed the 15th September, as the date for the submission of future special Fund Reports, the Collectors in their turn being allowed to send in their reports to the Board by the 15th August. Referring to this the Collector of Salem ~~in these~~ asks whether he may send in his administration Report on the Irrigation Cess Fund also so as to reach

the Board office on the 15th August. As the reasons urged in the case of the other Special Fund Reports apply equally to this report the Board requests that Govt will be pleased to fix the 15th September as the date for the submission of this report also. So far as the Govt. is concerned there is no objection to this request being complied with. But it will be well to ascertain whether the A.G. requires the report for any of his purposes if so whether he would wish to have it ~~made~~ earlier than the 15th September.

Hence the draft above.
