REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 20th May 1897.

No. 3561 Miscellaneous

READ ... statements submitted by the Collector of Nilgiris, showing the disposal of land applications during the quarters ending 30th september 1896, 31st December 1896 and 31st March 1897, dated 5th october 1896, dis No 2379/1896, 14th january 1897 dis No. 73/1897, and 13th April 1897 dis No. 869 respectively

Resolution

~~Ordinary rules~~ The statements read above, showing the disposal of applications for waste lands in the Nilgiris district for the quarters ending 30-9-96, 31-12-96, and 31-3-97, will be submitted for the

information of Government.

Ordinary rules

1. Twenty four applications were pending at the end of the last quarter. Of these 11 were over 6 months old, one of them being undisposed of for more than a year. In five of these cases however, enquiry and survey have been completed and advertisements for sale have been issued. Five more cases were pending survey and demarcation. In two of them the survey appears to have been ordered in october last and the Collector should have explained why the work is still pending. The remaining one case is under reference to the Deputy Tahsildar Coonoor, whose reports appear to have been sent back twice for further information. He should be called upon to expedite his reply and to avoid as far as possible the necessity for repeated references on the same application

Supplemental Rules

Fourteen applications under the supplemental

supplemental rules were pending at the end of the quarter of which 4 were over a year old and 2 more were pending for 6 months. In all these 6 cases however preliminary enquiries have been completed and the prescribed notification of the intended grant of the land to has been issued In one of them, in which the 3 months time allowed in the notification expired on the 2nd February 1897, an objection petition appears to have been received and is under enquiry.

Municipal Supplemental rules

4. Three cases were pending under the rules. One of them is about a year and a half old. The disposal of this application is stated to be delayed pending receipt of a fair plan called for from the Executive Engineer. The requisition of that officer appears to have been sent as far back as February 1896 and the Collector states that reminders

reminders have been sent to him on the subject.
