MADRAS GENERAL OFFICE 15 MAY 97 MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 15th May 1897.

No. 3419 Mis

READ the following letter from the collector of Vizagapatam, dated 29th April 1897 Re.C. No: 1705:—

MADRAS BOARD OFFICE 24 MAY 97 MADRAS

With reference to para 10 of Board's Proceedings no: 278 dated the 3rd instant, and in continuation of my letter R. C. No. 1592, dated the 20th idem, I have the honour to report that a number of applications have now been received in the Saravasidhi Taluk for loans under the Agriculturists Loans Act, aggregating Rs 22.285,

and that many more are expected to be received shortly. The Tahsildar of the Taluk is very busy with the Famine and Jamabandi work, and cannot dispose of the applications speedily without some help. A temporary Revenue Inspector on Rs 35 per mensem is therefore necessary for a period of 3 months.

In view of the desirability of making advances to the ryots in time to be of any use to them, I have entertained a man in anticipation of sanction which I have the honour to request may be obtained from Government.

2. In its Proceedings No: 2649 misc dated the 8th instant, the Board remarked that the proposition statement

Statement submitted with my letter R. C. No: 939 dated 26th March 1897 was inaccurate. I therefore beg to be supplied with a copy of the proposition statement submitted by the Board to Government so as to enable me to prepare and submit a correct proposition Statement for the temporary establishment now applied for.

Resolution

Submitted for the orders of Government.

2. In the circumstances reported by the Collector, the Board recommends that sanction may be accorded for the entertainment, for a period of three months, of a Revenue Inspector

Rs 35 for the Surasidhi taluk for the speedy disposal of applications for loans. The collector states that he has entertained the Revenue Inspector in anticipation of sanction.

3. With reference to para 2 of his letter read above, the collector will be furnished with a copy of the proposition statement referred to by him. To avoid delay, however, a proposition statement prepared in the Board's office for the establishment proposed in para 2 above, will be submitted to Government.

4. As regards the source from which the cost can be met, the Board begs to refer Government to para 4 of its Proceedings

No: 1690 Mis dated 6th March 1917, in which application has been made for an allotment of Rs 10,000.
