The peti. states as follows:-

The peti. purchased for Rs 500 ~~an acre~~ of a cocoanut lode measuring one acre in No. 77 in the village of Neralakoti. This was a cocoanut lode ~~to~~ before the peti. purchases it and continues to be the same under his occupation. For fasles 1304 and 1305 excess assessment was charged for the one acre of land in No. 77 on the ground that the Settlement Dept. did not include the land in the patta. In the old Paimash the land was included in the patta. But as the Settlement officials failed to divide it as the revenue officials were silent for 26 years it is now as-
-serted that it is garden poram-
-bake. The peti. therefore prays that the matter may be referred to the Col. for enquiry & report. that the necessary corrections may be made in the patta & that the excess assessment imposed may be cancelled.
