SUBJECT.

Submitting certain documents in connection with his petition to Govt

The petr has not produced Authenticated Copies of the order passed by the Deputy Comr. as well as of his petition to the subordinate authorities. It however seems unnecessary to insist upon their production. The case against the petr is stated in the Board's resolution flagged M. He joined the Salt Department on the 28th Sept 96, as a permanent Sub-Inspector on Rs 30. The Inspector who was then hard pressed for men for Chowkie work. ordered the petr to proceed at once to Mudumala in Kurnool to take charge of the Chowkies there. He accordingly to his own

own statement, went three miles in that direction and then returned to the Inspector's office saying that he was caught in the rain, that he was unable to proceed further on account of ill-health and that he might be kept on in the office where he could learn the work. The Inspector apparently did not comply with the petr's last request and the result was that the petr tendered his resignation. The Dy Comr to whom the matter was reported did not accept the resignation but passed a formal order dismissing the petr on the ground that he was guilty of a gross act of disobedience at a time when his services were urgently needed. The petr now requests that the order of dismissal may be converted into one of removal from service. The Board of Rev which confirmed the Dy C'omr's order is however of opinion that the petr has no claim to be treated with indulgence.

We can dismiss for disobedience & then seems ... a general disqualification ... der of dismissal ... one of removal ...
