Draft NOTIFICATION.

His Excellency the Governor in Council is pleased to declare, under the provisions of section 16 of the Madras Forest Act (V of 1882) that, from the 189 , the area, the boundaries of which are set forth in the schedule appended to this notification, shall be constituted a "reserved forest."

SCHEDULE.

District.	Taluk.	Name of forest.	Boundaries.
Kurnool.	Pattikonda taluk.	Pendekallu	*North.*—Starting from the southernmost corner of survey No. 700 of Pandikona on the village boundary between Pandikona and Chekkaralla, the south sides of that number and Nos. 701, 702 and 704 to the south-east corner of the last number; then a straight line south-east to the south-west corner of survey No. 711; then the south and east sides of that number and the south sides of Nos. 712, 860 and 850 to the south-east corner of the last number (all the above numbers are of Pandikona); then straight lines first south-east crossing survey Nos. 53 and 54 of Mukkella to the south-east corner of the latter number on the northern boundary of khandam No. 2 of Pendekallu. *East.*—Then a straight line almost west to the second village boundary stone next south to the one at the north-west corner of khandam No. 2 of Pendekallu; then the western boundary of that khandam to the second khandam stone counting from and including the one at its south-west corner; then a straight line south-south-west to the north-west corner of survey No. 255; then south-south-east to the north-west corner of survey No. 259; then westwards to the northernmost corner of survey No. 262, north-east of the north-west corner of that number; then south-west to the south-west corner of the same number; then east-south-east to the south-east corner of that number; then east-north-east to the south-west corner of survey No. 258; then the south sides of Nos. 258 and 253 to the north-west corner of survey No. 252; then the west side of that number to the south-west corner of survey No. 251; then straight lines first south-east to the south-west corner of survey No. 233; then west-south-west to the north-west corner of survey No. 289; then south-south-west across survey No. 288 to its south-west corner; then south-west to a cairn about 1½ chains north-east of the northernmost corner of survey No. 286; then west-south-west to the northernmost corner of survey No. 278; then the west side of that number to its south-west corner; then straight lines first south-east to the southernmost corner of survey No. 279; then south-south-east to the westernmost corner of survey No. 281 on the village boundary between Pendekallu and Edduladoddi; then that boundary to the southernmost corner of that number. (*N.B.*—All the above numbers are of Pendekallu.) *South.*—Then straight lines first west-north-west to the north-east corner survey No. 116; then almost in the same direction to the north-west corner of survey No. 115; then the north side of survey No. 100 up to the south-east corner of survey No. 110; then a straight line north-north-west across that number to its northernmost corner; then the east side of survey No. 111 to the easternmost corner of survey No. 112; then a straight line north-west to a point on its northern boundary, about five chains east-south-east of its westernmost corner on the village boundary stone between Edduladoddi and Chekkaralla (all the above numbers are of Edduladoddi). *West.*—Then north-north-east to the southernmost corner of survey No. 256; then east to the southernmost corner of survey No. 244; then east-north-east to its south-east corner on the village boundary between Pendekallu and Chekkaralla; then north-north-east following that village boundary up to the north-east corner of survey No. 241; then a straight line to the north-east corner of survey No. 226; then west-north-west to the easternmost corner of survey No. 217; then north-north-west to the north-east corner of survey No. 216 on the village boundary between Chekkaralla and Pandikona; then that village boundary to the starting point.

REMARKS.—The following public rights of way have been admitted:—

(I) Foot and cattle path two yards wide, from Chekkaralla to Rampalli. This enters the reserve, about two chains south of the north-east corner of survey field No. 244 of Chekkaralla and running through it in a south-easterly direction for about one and a quarter miles. leaves it about two chains south of the north-west corner of survey field No. 278 of Pendekallu.

(II) Foot and cattle path, two yards wide, from Chekkaralla to Pendekallu. This enters the reserve at a point about two chains north of the north-east corner of survey No. 241 of Chekkaralla and running through it in an east-south-easterly direction, leaves it at a point about two chains north of the south-west corner of survey No. 262 of Pendekallu; it re-enters the reserve at the south-west corner of survey No. 258 of Pendekallu and running along the boundary line, leaves it at the north-west corner of survey No. 252 of the same village. Its length through the reserve is about seven furlongs.

(III) Foot and cattle path from Chekkaralla to Mukkella to a width of two yards. This enters the reserve at a point about a quarter of a mile north-west of the south-east corner of survey No. 224 of Chekkaralla and running through it north-east and east and crossing the foot and cattle paths Nos. IV and V *infra*, leaves it near the north-west corner of khandam No. 2 of Pendekallu. Its length through the reserve is about one and a half miles.

(IV) Foot and cattle path to a width of two yards, from Davarakunta to Pendekallu. This enters the reserve about two chains south-east of the south-east corner of survey No. 690 of Pandikona and running through it in a south-easterly direction and crossing the foot and cattle paths Nos. III and V, leaves it at a point about three chains north of the north-west corner of survey No. 2 of Pendekallu. Its length through the reserve is about two miles.

(V) Foot and cattle path from Chendavole to Edduladoddi to a width of two yards. This enters the reserve at the southernmost corner of survey No. 711 of Pandikona and running through it in a south-south-westerly direction and crossing the foot and cattle paths Nos. III and IV *supra*, leaves it at a point about three chains north-west of the north-east corner of survey No. 224 of Chekkaralla. Its length through the reserve is about one mile.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from C. M. MULLALY, Esq., Collector of Kurnool, to the Secretary to the Commissioners of Land Revenue, dated 13th July 1896, Ref. on C. No. 19-Forest :—

I have the honour to forward herewith letter, Ref. on C. No. 1, dated 30th June 1896 (with its three enclosures), from the Forest Settlement-officer submitting final report on the settlement of Pendekallu reserve, in the Pattikonda taluk, and to request that the draft notification may be approved and published in the *Fort St. George Gazette*.

2. The usual area statement is herewith submitted.

ENCLOSURE No. 1.

STATEMENT of area and condition to accompany the notification under section 16 for the Pendekallu reserve in the Pattikonda taluk.

Total area of the taluk.	Extent of occupied and unoccupied Government lands.	Area of reserves already notified under section 16.	Area of reserves under settlement.	Area of reserve submitted for notification under section 16.			Character of the land proposed.	How much forest.	How much grass land.
				Number.	Name of block.	Area.			
1	2	3	4	5	6	7	8	9	10
725,760 acres.	acs. Occupied 282,320 Unoccupied 301,440	8,085 acres.	33,147 acres.	17	Pendekallu.	2,492 acres.	Chiefly gneissic hill covered with thin scrub jungle of *Albizzia* and *Acacia*.	All forest with scanty pasture below.	....

ENCLOSURE No. 2.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kurnool (through the District Forest-officer, Kurnool), dated Indurvaripalem, 30th June 1896, Ref. No. 1-Cur.

I have the honour to report the conclusion of the settlement of the proposed Pendekallu reserve in the Pattikonda taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in Government notification No. 77, dated 23rd February 1892, and the proclamation under section 6 of the Madras Forest Act was published in the *Kurnool District Gazette*, dated 28th May 1892. The three months' time allowed for the presentation of claims expired on the 28th August 1892.

G.O 171
23.2.92

2 BOARD OF REVENUE (LAND REVENUE), FOREST No. 550, 5TH DECEMBER 1896.

3. M.R.Ry. D. Jagannada Rao Pantulu Garu was originally appointed to settle this block; then Messrs. J. T. Lever and R. H. L. Lushington; and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Forest Settlement-officer.

4. The reserve was inspected, perambulated and inquired into by J. T. Lever and three claims were preferred for the following rights:—

(i) One claim to a Government patta field.
(ii) Two claims to certain rights of way.

All the claims were admitted. The patta field which was first ordered to be acquired has since been relinquished.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

(i) A signed copy of the B. register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

ENCLOSURE No. 3.

B. Register of claims to Lands, rights to forest produce or easements in the proposed Pendekallu Reserved Forest block No. 17, Pattikonda Taluk, Kurnool District.

No.	Names of claimants.	Date of presentation of claims.	Nature and extent of claims preferred.	Brief summary of the evidence adduced in support of claims.	Brief summary of the District Forest-officer's arguments and evidence produced by him.	Brief abstract of decision and final disposal of the claims by the Forest Settlement-officer.
1	2	3	4	5	6	7
1	Motteya Sanjivadu of Chekkaralla.	18th Sept. 1893.	Claims exclusion from the reserve of his patta land of Chekkaralla comprising No 222, measuring 9 52 acres, assessed at Rs. 4-12-0.	Verified by the village accounts.	The District Forest-officer says that the field must be acquired.	The claim is admitted, having been verified by the village accounts, and the land is ordered to be acquired for inclusion in the reserve. RAJAHMUNDRY, (Signed) J. T. LEVER, 6th December 1893. Forest Sett.-officer. *Note.*—The field has since been relinquished (*vide* Tahsildar's report, No. 95, dated 26th June 1896). (Signed) E. A. SMITH, 30th June 1896. Forest Sett-officer.
2	Karnam Subbaya of Chekkaralla.	Do.	Claims on behalf of the general public rights of way over the undermentioned pathways:— (i) The foot and cattle paths from Chekkaralla to Rampalli which enters the reserve, about two chains south of the north-east corner of survey field No. 244 of Chekkaralla, runs through it in a south-easterly direction and leaves it about two chains south of the north-west corner of survey No. 278 of Pendekallu. Its length through the reserve is about one and a quarter miles and its width two yards. (ii) The foot and cattle paths from Chekkaralla to Pendekallu which enters the reserve at a point about two chains north of the north-east corner of survey No. 241 of Chekkaralla, runs through it in an east-south-easterly direction and leaves it at a point about two chains north of the south-west corner of survey No. 262 of Pendekallu; it re-enters the reserve at the south-west corner of survey No. 258 of Pendekallu and running along the boundary, leaves it at the north-west corner of survey No. 252 of the same village. Its length through the reserve is about seven furlongs and its width two yards. (iii) The foot and cattle-paths from Chekkaralla to Mukkellu which enters the reserve at a point about quarter of a mile north-west of the south-east corner of survey No. 224 of Chekkaralla, runs through it north-east and east and crossing the foot and cattle paths from Chandavole to Edduladoddi and from Davarakunta to Pendekallu, leaves it near the north-west corner of khandam No 2 of Pendekallu. Its length through the reserve is about one and a half miles and its width two yards.	The claimant examined one witness who proves that the pathways claimed have been in existence from a long time and states that he knows of them personally.	The District Forest-officer admits claim.	The pathways having been proved to be in existence from a long time, the claim is admitted in the name of the general public and the rights of way claimed have been allowed through the reserve as usual for men and cattle only. RAJAHMUNDRY, (Signed) J. T. LEVER, 6th December 1893. Forest Sett.-officer.
3	Karnam Subbaya of Pendekallu as head of the village.	18th Sept. 1893.	Claims on behalf of the general public rights of way over the undermentioned pathways:— (i) The foot and cattle paths from Davarakunta to Pendekallu which enters the reserve at a point about two chains south-east of the south-east corner of survey No. 690, Pandikona, runs through it in a south-easterly direction and crossing the foot and cattle paths from Chekkaralla to Mukkella and from Chendavolu to Edduladoddi, leaves it at a point about three chains north of the north-west corner of survey No. 2 of Pendekallu. Its length through the reserve is about two miles and its width two yards. (ii) The foot and cattle paths from Chendavolu to Edduladoddi which enters the reserve at the southernmost corner of survey No. 711 of Pandikona, runs through it in a south-south-westerly direction and crossing the foot and cattle paths from Davarakunta to Pendekallu and from Chekkaralla to Mukkella and leaves it at a point about three chains north-east of the north-east corner of survey No. 224 of Chekkaralla. Its length through the reserve is about one mile and its width two yards.	The claimant examined one witness who proves that the rights of way claimed have been in existence from a long time and states that he knows of them from his childhood.	The District Forest-officer admits claim.	The pathways having been proved to have been in existence from a long time, the claim is admitted in the name of the general public and the rights of way claimed have been allowed through the reserve as usual for men and cattle only. RAJAHMUNDRY, (Signed) J. T. LEVER, 6th December 1893. Forest Sett.-officer.

Claims on behalf of the general public rights of way over the undermentioned pathways :— (i) The foot and cattle paths from Chekkaralla to Rampalli which enters the reserve, about two chains south of the north-east corner of survey field No. 244 of Chekkaralla, runs through it in a south-easterly direction and leaves it about two chains south of the north-west corner of survey No. 278 of Pendekallu Its length through the reserve is about one and a quarter miles and its width two yards. (ii) The foot and cattle paths from Chekkaralla to Pendekallu which enters the reserve at a point about two chains north of the north-east corner of survey No. 241 of Chekkaralla, runs through it in an east-south-easterly direction and leaves it at a point about two chains north of the south-west corner of survey No. 262 of Pendekallu ; it re-enters the reserve at the south-west corner of survey No. 258 of Pendekallu and running along the boundary, leaves it at the north-west corner of survey No. 252 of the same village. Its length through the reserve is about seven furlongs and its width two yards. (iii) The foot and cattle paths from Chekkaralla to Mukkellu which enters the reserve at a point about quarter of a mile north-west of the south-east corner of survey No. 224 of Chekkaralla, runs through it north-east and east and crossing the foot and cattle paths from Chandavole to Edduladoddi and from Davarakunta to Pendekallu, leaves it near the north-west corner of khandam No. 2 of Pendekallu. Its length through the reserve is about one and a half miles and its width two yards.	The claimant examined one witness who proves that the pathways claimed have been in existence from a long time and states that he knows of them personally.	The District Forest-officer admits claim.	The pathways having been proved to be in existence from a long time, the claim is admitted in the name of the general public and the rights of way claimed have been allowed through the reserve as usual for men and cattle only. Rajahmundry, 6th December 1893. (Signed) J. T. LEVER, Forest Sett.-officer.
3	Karnam Subbaya of Pendekallu as head of the village.	18th Sept. 1893.	Claims on behalf of the general public rights of way over the undermentioned pathways :— (i) The foot and cattle paths from Davarakunta to Pendekallu which enters the reserve at a point about two chains south-east of the south-east corner of survey No. 690, Pandikona, runs through it in a south-easterly direction and crossing the foot and cattle paths from Chekkaralla to Mukkella and from Chendavolu to Edduladoddi, leaves it at a point about three chains north of the north-west corner of survey No. 2 of Pendekallu. Its length through the reserve is about two miles and its width two yards. (ii) The foot and cattle paths from Chendavolu to Edduladoddi which enters the reserve at the southernmost corner of survey No. 711 of Pandikona, runs through it in a south-south-westerly direction and crossing the foot and cattle paths from Davarakunta to Pendekallu and from Chekkaralla to Mukkella and leaves it at a point about three chains north-west of the south-east corner of survey No. 225 of Chekkaralla. Its length through the reserve is about one mile and its width two yards.	The claimant examined one witness who proves that the rights of way claimed have been in existence from a long time and states that he knows of them from his childhood.	The District Forest-officer admits claim.	The pathways having been proved to have been in existence from a long time, the claim is admitted in the name of the general public and the rights of way claimed have been allowed through the reserve as usual for men and cattle only. Rajahmundry, 6th December 1893. (Signed) J. T. LEVER, Forest Sett.-officer.

NOTIFICATION.

His Excellency the Governor in Council is pleased to declare, under the provisions of section 16 of the Madras Forest Act (V of 1882) that, from the 31st March 1897, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be constituted a "reserved forest."

Schedule.

District.	Taluk.	Name of forest.	Boundaries.
Kurnool.	Pattikonda.	Pendekallu	*North.*—Starting from the southernmost corner of survey No. 700 of Pandikona on the village boundary between Pandikona and Chekkaralla, the south sides of that number and Nos. 701, 702 and 704 to the south-east corner of the last number; then a straight line south-east to the south-west corner of survey No. 711; then the south and east sides of that number and the south sides of Nos. 712, 860 and 850 to the south-east corner of the last number (all the above numbers are of Pandikona); then straight lines first south-east crossing survey Nos. 53 and 54 of Mukkella to the south-east corner of the latter number on the northern boundary of khandam No. 2 of Pendekallu. *East.*—Then a straight line almost west to the second village boundary stone next south to the one at the north-west corner of khandam No. 2 of Pendekallu; then the western boundary of that khandam to the second khandam stone counting from and including the one at its south-west corner; then a straight line south-south-west to the north-west corner of survey No. 255; then south-south-east to the north-west corner of survey No. 259; then westwards to the northernmost corner of survey No. 262, north-east of the north-west corner of that number; then south-west to the south-west corner of the same number; then east-south-east to the south-east corner of that number; then east-north-east to the south-west corner of survey No. 258; then the south sides of Nos. 258 and 253 to the north-west corner of survey No. 252; then the west side of that number to the south-west corner of survey No. 251; then straight lines first south-east to the south-west corner of survey No 233; then west-south-west to the north-west corner of survey No. 289; then south-south-west across survey No. 288 to its south-west corner; then south-west to a cairn about 1½ chains north-east of the northernmost corner of survey No. 286; then west to the northernmost corner of survey No. 278; then the west side of that number to its south-west corner; then straight lines first south-east to the southernmost corner of survey No. 279; then south-south-east to the westernmost corner of survey No. 281 on the village boundary between Pendekallu and Edduladoddi; then that boundary to the southernmost corner of that number. (*N.B* —All the above numbers are of Pendekallu.) *South.*—Then straight lines first west-north-west to the north-east corner survey No. 116; then almost in the same direction to the north-west corner of survey No. 115; then the north side of survey No. 100 up to the south-east corner of survey No. 110; then a straight line north-north-west across that number to its northernmost corner; then the east side of survey No. 111 to the easternmost corner of survey No. 112; then a straight line north-west to a point on its northern boundary, about five chains east-south-east of its western-most corner on the village boundary stone between Edduladoddi and Chekkaralla (all the above numbers are of Edduladoddi). *West.*—Then north-north-east to the southernmost corner of survey No. 256; then east to the southernmost corner of survey No. 244; then east-north-east to its south-east corner on the village boundary between Pendekallu and Chekkaralla; then north-north-east following that village boundary up to the north-east corner of survey No. 241; then a straight line to the north-east corner of survey No. 226; then west-north-west to the easternmost corner of survey No. 217; then north-north-west to the north-east corner of survey No. 216 on the village boundary between Chekkaralla and Pandikona; then that village boundary to the starting point.

Remarks.—The following public rights of way have been admitted:—

(I) Foot and cattle path two yards wide from Chekkaralla to Rampalli. This enters the reserve, about two chains south of the north-east corner of survey field No. 244 of Chekkaralla and running through it in a south-easterly direction for about one and a quarter miles, leaves it about two chains south of the north-west corner of survey field No. 278 of Pendekallu.

(II) Foot and cattle path two yards wide from Chekkaralla to Pendekallu. This enters the reserve at a point about two chain north of the north-east corner of survey No. 241 of Chekkaralla and running through it in an east-south-easterly direction, leaves it at a point about two chains north of the south-west corner of survey No. 262 of Pendekallu; it re-enters the reserve at the south-west corner of survey No. 258 of Pendekallu and running along the boundary line, leaves it at the north-west corner of survey No. 252 of the same village. Its length through the reserve is about seven furlongs.

III) Foot and cattle path from Chekkaralla to Mukkella to a width of two yards. This enters the reserve at a point about a quarter of a mile north-west of the south-east corner of survey No. 224 of Chakkaralla and running through it north-east and east and crossing the foot and cattle paths Nos. IV and V *infra*, leaves it near the north-west corner of khandam No. 2 of Pendakallu. Its length through the reserve is about one and a half miles.

(IV) Foot and cattle path to a width of two yards from Davarakunta to Pendekallu. This enters the reserve about two chains south-east of the south-east corner of survey No. 690 of Pandikona and running through it in a south-easterly direction and crossing the foot and cattle paths Nos. III and V, leaves it at a point about three chains north of the north-west corner of survey No. 2 of Pendekallu. Its length through the reserve is about two miles.

(V) Foot and cattl path from Chendavole to Edduladoddi to a width of two yards. This enters the reserve at the southernmost corner of survey No. 711 of Pandikona and running through it in a south-south-westerly direction and crossing the foot and cattle paths Nos. III and IV *supra*, leaves it at a point about three chains north-west of the south-east corner of survey No. 225 of Chekkaralla. Its length through the reserve is about one mile.
