SIR,

I HAVE the honour to enclose copy of tables Nos. 1 to 8 of Section I of the Financial and Commercial Statistics for British India, shewing the area, population, and land revenue for 1895-96, and to request that they may be revised where necessary, the figures for 1896-97 in respect to land revenue being added, and the tables returned not later than 1st October, in view to their insertion in the next issue of the Financial and Commercial Statistics.

2. I take the opportunity of inviting attention to the instructions contained in the letter* from the Government of India in the Home Department, No. ²⁰/₁₂₄₇₋₉₉ (Public), dated the 31st July 1896 (paragraph 4), for the filling in of the columns of land and gross revenue in Statement I-C of the General Administration Report, and to say that the figures of area and land revenue entered in the tables enclosed for the Financial and Commercial Statistics should correspond with those in the General and Revenue Administration Reports, the figures of land revenue representing the actual collections of the year, not the realisable demand, and including miscellaneous land revenue.
