SUBJECT.

Tamine Relief works at Gazuwaka
+ Kondakirka. Ganjam Dist.

Letter from the Supt. Engineer

I Circle forwarding copy of his inspection notes on the — Communists to the Rev. Dept.

22 (b) Attention is invited to the marks underlined with the pencil.

I think here notes should be sent
to the Finance Comm- for his
remarks. If the work at Sag-
waka "will never be of use
to any one," it has been badly
chosen & should be stopped. Mr.
Carminie says that R.O. 1.4 is a
full day's wage for a man to

copy 1/17 according to Proclamation of 1763
appears that it is not

report for 95-96 the wage of
 an unskilled village labourer in
 Gangan was ~~Rs 0.1.11~~ is Rs 0.1.11
 or nearly 44% more. I do
 not understand how the failure
 of a Contractor to get enough
 labour at 9 pias a day and further
 that there is no distress near
 Bandikhal: the Contractor may
 not be liked, or most of the
 crew near may have emigrated.

Jy
 22/5/97

The notes should go to the Famine Commr?
 for his remarks.
