The following letter from the

acc

I have the honor to submit
that the work of the accounts
branch of my office has of late
greatly increased owing to the
extension of relief operations.

2. The principal causes of this
increase of business are as follow:-
(a) The employment of a large
temporary establishment in
connection with relief-works,
kitchens, gratuitous relief in
villages

villages and the grant of loans.

The pay, contingent and travelling allowances of these establishments have to be scrutinized and passed in the account department.

In addition to the check required to be exercised in accordance with the provisions of the Civil Service Regulations and the Account Code, a register showing the establishments sanctioned both by Government and myself and the several appointments made from time to time, has to be maintained.

(b) Although expenditure incurred on account of relief works is audited by the Public Works Department, cheques issued by them are paid at the Bank and the several sub-treasuries. Consequently orders have to be issued from my office to the Bank and the several sub-treasuries.

Sub-treasuries placing the necessary funds at the credit of each of the several officers of the Public Works Department and a register showing the balance available against each officer at each sub-treasury has to be maintained. The cheques issued by the Public Works Department officers have to be checked before transmission to the Accountant-General with a consolidated memo.

(c) Consequent on the free grant of loans under the Land Improvement and Agricultural Loans Act, a large number of vouchers are received from the Taluk Boards for incorporation in the Kuzer Accounts. The number of vouchers received from January to April 1897 is shown below.

January 1897	88
February "	321
March "	627
April "	968

These

These vouchers are required to be examined and sent to the Accountant General on the 1st of each month with a consolidated list showing the name of the recipient, and the amount paid to each, a separate register being kept for record in this office.

(d) The examination and submission to the Accountant General of Consolidated bills on account of advances granted to weavers.

(e) The examination and submission of Consolidated bills on account of advances granted for famine kitchens and the purchase of grain for gratuitous relief in villages.

3 The existing staff is quite unable to cope with this large amount of extra work and if we are to avoid a dangerous accumulation of work it must be strengthened. I therefore request that the

Sanction

Sanction of Government may be obtained for the immediate entertainment of 2 Extra accountants on Rs 30 each, and I would earnestly ask the Board to send me two trained men from its own office or from that of the Accountant General.

Resolution

Submitted to Government with the request that the additional establishments asked for may be sanctioned.

2. The Collector should have submitted a proposition, Statement in accordance with the instructions issued in Government Order 604 Financial dated 21st September 1876.

He is requested to submit one at once.

3. The Accountant General will be

be requested to send two trained
Accountants, if available, when
the Government sanctions the
establishment
