Forest Settlement Officer, Malabar and South

13th April 1897

Resolution

In his letter read in the B.P. above quoted
Mr Mullins pointed out that the date of reser-
vation fixed by Government in the case of certain
blocks in the South Canara District had
preceded the date of publication of such notifi-
cations in the District. The Forest Settlement
officer was doubtful whether the date of reser-
vation fixed in these notifications would legally
hold good as regards the blocks concerned.

The

The Board then indicated the requirements of sec: 16 in the matter and asked Mr. Bullins to submit a consolidated notification of ^{all} the blocks concerned, so as to modify the date of reservation as fixed in the previous notifications.

2. Mr. Bullins has not submitted the required notification, but has furnished a list of blocks, the notifications of which require modification. The Board has now prepared the necessary draft notification and submit the same to Government with the request that it may be approved and ordered to be published in the Fort St George Gazette.

3. With reference to para 2 of Mr. Bullins' letter, the Board considers that in addition to the republication in the District of the errata notification in the Fort St George Gazette, he should amend his original proclamation notices under sec: 16 in so far as the date of reservation is concerned, and republish the same in the District, so as to give due publicity in the villages concerned.

4. The Board notes that Mr. Bullins attributes the delay in publishing these notifications to the want of a special establishment which has now been supplied.
