The Hon. Mr. Justice C. J. [

"Petitioner requests either (1) that he may have the types or (2) that he may have a pension as belonging to the family of Chanda Sahib. This draft also disposes of (1), but how has (2) been disposed of?"

Whether the pension should be granted or not is not a matter of "interference". I have altered the draft.

Reply to the marginally transcribed query of the H. M. in C. No. 4096.

Respectfully submitted that it is thought that the draft endorsement will dispose of both the requests. Petitioner himself states that after the death of Chanda Sahib's wife, none of his heirs represented their claims for the continuance of the pension granted to her. Evidently the heirs had no claim, or they would have petitioned long ago. Petitioner's case it was thought fell under para V(4) of Petition (C) Rules. Should it be considered that a separate endorsement should be given as regards the second request, para V(4) of Pet. (C) Rules may be added as para 2 of the draft endorsement.
