PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

RESOLUTION—No. 178, dated 22nd May 1897.

In paragraph 4 of Board's Proceedings, No. 368, dated 29th September 1896, the Collectors of all districts except Madras were requested to publish the draft of the rules to be issued under section 20 of the Madras Hereditary Village Offices Act III of 1895, both in English and in the vernaculars, in three successive issues of their District Gazettes together with a notice fixing the 1st February 1897 as the latest date for the presentation of suggestions regarding the amendment of the draft rules or objections thereto. As the vernacular translations of the draft rules were not expected to be ready for publication till the end of January 1897, the latest date for presenting objections was subsequently altered into the 1st May following. From the table of contents appended to the District Gazettes, it cannot be ascertained whether the draft rules have been published in the vernaculars in all the districts; probably they have been included in the general head "District Gazette, Supplements" or "Supplements issued from the Government Press, Madras." In a few districts (Anantapur, Kistna, Nellore, North Arcot and Madura) the vernacular translations of the rules appear to have been published only in two issues. Further, in Gódvári, North Arcot and Madura, the translations were for the last time published only in May 1897, though the notice prefixed to the rules specified the first of that month as the date on which the rules would be taken into consideration.

In view of the late publication of the vernacular translations of the rules, the Board considers it desirable to allow further time till the 15th July next for the presentation of suggestions and objections and accordingly requests the Collectors of all districts except Madras to publish the following notice in their District Gazettes for June next.
