SUBJECT

Forwarding for approval and

publication in the Fort Saint George

Gazette as draft notification under St.

I of 1894 for the acquisition of land

required for a forest rest house at

Prishnapuram in the Golconda Taluk

This has been made known before to Fort. There is absolutely nothing in the letter to show that a claim has been made or that if it has, it is necessary to require land for the site, that the site is suitable for the purpose of the work, and that the work is of public utility. If the work is of public utility, such as this, it is the duty of the Government to acquire the land for the work, and to publish the same accordingly.

The Collector of Vizagapatam is requested to forward the draft notification to the Government for approval and publication in the Fort Saint George Gazette as draft notification under St. I of 1894 for the acquisition of land required for a forest rest house at Prishnapuram in the Golconda Taluk.

NOTE FOR THE ~~UNDER~~ SECRETARY.

With reference
to the under Secy's query
it is submitted that no
previous correspondence
had passed between the
Toot and the Subordinate
Officers concerned on the
subject after acquisition of
the land in question.

The Collector however
appears to have strictly followed
the rules laid down in B.S.O
No 11 (vide paras 3, 4 & 7) in
the matter of the present
application, he himself being
the Head of the Forest Dept
in the District (vide Sec 3
of the new Forest Code) and
also being competent to
sanction small works not
costing more than Rs 500
under Sec 148 of the same
Code.

B.M.
2.11.47

The Collector has
no power to issue the
note under the Land
Acquisition Act

I know that what I submit is
that if applications like this are
to be handled as a matter of course
as they must be then in the absence
of all particulars, that then such
applications are a waste of
time & trouble & the act is demanded
