PROCEEDINGS OF THE BOARD OF REVENUE  
(LAND REVENUE).

READ—the following letter from H. D. TAYLOR, Esq., Acting Collector of Ganjam, to the Secretary to the Commissioners of Land Revenue, dated Camp, Dayigam, 11th April 1897, R. C. No. 922-Ver.:—

Referring to Board's Proceedings, No. 69, L.R., dated 25th February 1897, I have the honour to request instructions as to whether the orders therein issued apply to inams in zemindaris as well as to inams in Government taluks. If zemindari inams are included in the scope of the revised Standing Order, I would ask whether the same applies to all such inams whether or no the collection of quit-rent and land-cess has been made over to the zemindars on commission.

2. Most of the zemindaris in this district are included in the territorial jurisdiction of Deputy Tahsildars to whom collection of quit-rent and land-cess on inams—where it is not made over to zemindars—is entrusted. If the answer to the first paragraph is in affirmative, I request orders as to whether Deputy Tahsildars may, on their own initiative, order the change of registry of such inams. Many of the zemindaris are situated far away from Government taluks and it will be impossible for Tahsildars to attend to the work of registration in such cases without serious detriment to their ordinary duties.

3. So far as the present year is concerned neither Tahsildars nor Deputy Tahsildars will be able to take up the work in the zemindaris as their time is otherwise fully occupied and very little assistance can be expected from the karnams of zemindari villages, more especially in Uriya tracts.

4. The change of registry in Government taluks can be carried through without difficulty by the Tahsildars in the usual course.

RESOLUTION—No. 147, dated 6th May 1897.

The revised Standing Order (No. 20) referred to by the Collector is applicable to all minor inams in Government villages, as well as to those held under Government direct in zemindari and whole inam villages whether the quit-rent and land-cess thereon are collected by Government itself or are recovered by proprietors in consideration of an allowance of 10 per cent. for cost of collection. In the latter class of cases, Revenue officers will have to collect the quit-rent and land-cess whenever the proprietors concerned apply to them for the realisation thereof under Act II of 1864; and it is therefore necessary to have the register of holders of inams corrected so as to accord with actual ownership.

2. Deputy Tahsildars in independent charge of zemindari divisions should be considered to be in the same position as Tahsildars of Government taluks for the purposes of the revised Standing Order.
